The price for DNA testing is \$33.00/test request for members, and \$38.00/test request for nonmembers. You can also use the Online DNA Test Request Center, if you prefer. All required items must be filled out completely. Payment must be included with submission form in order to receive a sample kit. The kit will be sent via email or USPS to the email/address that is on file with the ABGA Office. The sample kit will include instructions on how to pull the hair for the test and send it to UC Davis.
