Unanimous

Motion Passes

Gage Taylor moves to enter Executive Session at 7:05pm CST. Katherine Klug sec. Voice Vote.

Unanimous

Motion Passes

Kevin Richmond moves to leave Executive Session at 7:18pm CST. Katherine Klug sec. Voice Vote.

Unanimous

Motion Passes

Discussion: The Board discussed an ongoing member issue, as well as some goat names that will need to be changed due to being inappropriate.

C. Foundation 101

1. The Foundation was not expected to raise over \$50,000 in its first year
 - a) Just requires the filing of a different form if it does
2. Multiple different types of donations are coming in
 - a) A letter can be sent for individual donations for tax purposes
 - i. However, sale donations come as 1 lump sum, not itemized
3. Do we want to receive a list of donors from sales so each individual can be issued a letter?
 - a) Sam and Brenda are going to work on protocols around this for the future

4. Discussion of the how the Foundation works in relation to the ABGA Board, as well as discussion of the Foundation Board
- D. JABGA Scholarship Applications and Junior Board Nominations

 - a) One question was added to the Junior Board Nomination Packet
 2. Discussion of the protocol pertaining to how the vote schedule is set up for the ABGA Board of Directors

Jacob Tipton moves to approve the amendments to the Junior Board Nomination Packet. Leah Maertens sec. Voice Vote.

Unanimous

Motion Passes

Kevin Richmond moves to make both the ABGA Board of Directors and the Junior Board of Directors Applications electronic. Mike Reis sec. Voice Vote.

Unanimous

Motion Passes

Discussion: Only the application itself will be electronic, the actual voting will still be via mail in ballot. The Board feels electronic submission will help with clarity and help regarding how the mail can sometimes be unreliable.

BJ Carbino moves to approve the amendments to the JABGA Scholarship Application. Jacob Tipton sec. Voice Vote.

Unanimous

Motion Passes

BJ Carbino moves to approve amendments to the Board Candidate Nomination Form. David Carwell sec. Voice Vote.

Unanimous

Motion Passes

E. National Show Committee

1. Schedule approval
 - a) Discussion of the end of the week
 - i. Should Fullblood Does be on Friday or Saturday?

Leah Maertens moves to accept the National Show Schedule with the amendment of Fullblood Does showing on Friday, June 16, 2023 and Percentage Does showing on Saturday, June 17, 2023. Sam Knott sec. Voice Vote.

For: 12 Votes

Against: 2 Votes

Abstain: 0 Votes

Motion Passes

Discussion: The majority of the Board agrees with the input of members that trying to do Fullblood Does on Saturday will add extra complications in terms of travel for exhibitors. The two opposed wanted to try something new and see how it went.

2. 7 applications were submitted for Superintendent
 - a) The Committee recommends 3
 - i. Jesse Kimmel, Tara Hicks, and Zeb James
 - b) The Committee recommends 2 Alternates
 - i. John Blackstock and Joe Ariso

Leah Maertens moves to accept Jesse Kimmel, Tara Hicks, and Zeb James as the Superintendents for the 2023 JABGA and ABGA National Shows, and John Blackstock and Joe Ariso as alternates. Amy Scharmer sec. Voice Vote.

Unanimous

Motion Passes

3. 22 entries submitted for the Logo Contest
 - a) The Committee narrowed it down to 6 and then held a poll for the membership to vote on their favorite for the winner

David Carwell left the call at approximately 7:55pm CST.

Kim Morgan moves to accept the proposed logo for the 2023 JABGA and ABGA National Shows. Chuck Fitzwater sec. Voice Vote.

Unanimous

Motion Passes

 2. Committee and Design Team are working on a new Anatomy Chart
- J. Finance Committee
1. Ended the year at a loss, as expected
 2. Brenda has been working hard to consolidate all of our investment accounts
 3. iCompete has been up and running for renewals
 - a) some bugs to work through yet
 - b) 77% of renewals came through iCompete
 - c) 50% of Junior renewals came through iCompete
 - d) Looking into moving into the registration phase of the iCompete roll out
- K. Judges Committee
1. Discussion of feedback that was received from one of the Judges who recently received a Letter of Reprimand
- L. Sanctioned Show Committee
1. Concurrent Show Rules
 - a) Have an outline sent out to the Committee for review
- M. Youth and Regional Shows Committee
1. The Junior Board would like a Bylaw change increasing the maximum Junior age to 21
 2. A lot of sponsorship is committed for the Regionals this year
 3. The Junior Board would like a "Mile-Radius Rule" around the Regional Shows
 - a) 250 miles for any Junior shows, 300 miles for any ABGA shows
 4. List of Committees the Junior Board Members would like to sit on as non-voting members
 - a. They would like to see how committees are operated as well as give their opinions in some of the committees that more directly deal with the Junior Membership
 - i. Jiles Coble on the DNA Committee

- ii. Alaina Blair and Logan Hollen on the Rules and Bylaws Committee
- iii. Maddie Reis and Helena Almlie on the Sanctioned Show Committee
- iv. Natalye Scholl and Cecelia Knott on the National Show Committee

	Jacob Tipton R-13	Lane Reigle R-14
Staff Present:	Office Manager Brenda McCary	
	Youth Coordinator Hannah Jenkins	

B. Minutes Approval

1. Minutes from the previous meeting were emailed to the Board for review and corrections

David Carwell moves to approve the Board of Directors Zoom Meeting Minutes dated January 10, 2023. Jacob Tipton sec. Voice Vote.

Unanimous

Motion Passes

C. Agenda

1. The Board reviewed the proposed Agenda for the meeting

Katherine Klug moves to approve the Agenda. BJ Carbino sec. Voice Vote.

Unanimous

Motion Passes

D. National Show

1. An email was sent to the Board to look over that showed the progress and proposals of the Committee
2. Buckles
 - a. Sheridan vs. Molly's

Leah Maertens moves to accept the Sheridan Bid for the buckles for the 2023 JABGA/ABGA National Shows. Jacob Tipton sec. Voice Vote.

Unanimous

Motion Passes

Discussion: Multiple board members have Sheridan buckles and attested to their quality.

3. Drug Testing

- a. Jordy has put in a bid for test collection
 - i) They are who collected the test samples last year
 - ii) If we accept the bid, they are willing to do a Zoom Call with the Board for us to ask them any questions/help us build a policy for drug testing that will be unaffected by moving venues
 - iii) Urine test this year
 - iv) They are a third party collector so no members of the association are involved with the collection process
 - v) TVMDL does the actual testing

David Carwell moves to accept Jordy's bid to be the third party collection agent for Drug Testing at the 2023 JABGA/ABGA National Show. BJ Carbino sec. Voice Vote.

Unanimous

Motion Passes

- 4. Webcasting and Photography
 - a. Square One would be cheaper if they do both webcasting and photography
 - i) They are more expensive if they only do webcasting
 - b. Pearl charges travel where Square One does not

Mike Reis moves to use Pearl's Pics for photography for the 2023 JABGA/ABGA National Show. BJ Carbino sec. Voice Vote.

Unanimous

Motion Passes

Discussion: While money could be saved using only Square One for both webcasting and photography, the Board is more familiar with the quality of Pearl's photographs as well as our long standing relationship with Pearl.

Katherine Klug moves to use Square One for webcasting for the 2023 JABGA/ABGA National Show. Leah Maertens sec. Voice Vote.

Unanimous

Motion Passes

- 5. Annual Member Meeting
 - a. Open exhibitors are required to be in by Tuesday, June 13
 - i) Proposal is to go straight into the member meeting that same day to achieve the best attendance

Leah Maertens moves to accept the proposed Annual Membership Meeting date of Tuesday, June 13, 2023 following the announcement of the Top 10 Breeding Showmanship. Sam Knott sec. Voice Vote.

For: 13 votes

Against: 1 vote

Motion Passes

Katherine Klug moves to keep entry fees the same as last year's National Show. Jacob Tipton sec. Voice Vote.

Unanimous

Motion Passes

6. Animal Weighing
 - a. Survey sent to membership shows support for the concept
 - b. Helps to begin building a database

Katherine Klug moves to weigh all animals at the 2023 JABGA/ABGA National Show based on member support via the online survey. BJ Carbino sec. Voice Vote.

Unanimous

Motion Passes

7. Interns
 - a. Opportunity for collegiate interns to help
 - b. Interns could be put in charge of weight data collection to ensure accuracy
 - c. We would only be expected to pay for hotel and food for them
 - d. Committee is going to look further into the costs and benefits and interest
8. Entry Deadline
 - a. Close the Herdbook on May 15, 2023
 - b. Entry Deadline of May 22, 2023
 - c. Last Entry Deadline of June 1, 2023

Mike Reis moves to approve the Entry Deadline proposal. BJ Carbino sec. Voice Vote.

Unanimous

Motion Passes

9. Endcaps
 - a. How do we handle to "grandfathered in" endcaps?
 - b. Specialized link on Goatpromoter with map of the barn
 - c. Committee is going to come up with a finalized process for the Endcaps
- E. Breed Standards (Auxiliary Document #2)
 1. The standards have been completely revamped, reorganized, and cleaned up
 2. Far easier to navigate for both new breeders and veterans
 3. Elf/Gopher Ears on Percentage Does have officially been put in black and white as a DQ

Lane Reigle moves to approve the changes made to the ABGA Breed Standards. Chuck Fitzwater sec. Voice Vote.

For: 13 votes

Against: 1 vote

Motion Passes

Lane Reigle moves to amend the immediately previous motion to read “Lane Reigle moves to approve the changes made to the ABGA Breed Standards with a date of implementation of January 1, 2024.” Mike Reis sec. Voice Vote.

Unanimous

Motion Passes

Discussion: The Board felt there needs to be a specified date for when the new Standards take effect and January 1, 2024 was decided on to allow for any other changes to be made before they are enacted.

F. Rules and Bylaws

1. Ennoblement Form

- a. Rule 1000 in our Rules and Regulations says that offspring need to be inspected
- b. The Ennoblement Form does not
- c. What would we like to do?

Katherine Klug moves to make Rule 1000 match the ABGA Ennoblement Form. Amy Scharmer sec. Voice Vote.

Unanimous

Motion Passes

Discussion: This oversight has taken place for multiple years. To make the form match the rule at this point would revoke the Ennoblement status of multiple animals which would be unfair to them.

2. Update to the Tattoo Policy

- a. The years were updated to reflect the current dates

Chuck Fitzwater moves to update Rule 215 to reflect the current/future years. Jacob Tipton sec. Voice Vote.

Unanimous

Motion Passes

3. Bylaws Ballot Rough Draft

- a. Email was sent to the Board to look over prior to the meeting
- b. Electronic balloting could have added expense for third party to build a ballot
- c. Age Change
 - i) Minute details that will need addressed if it passes
- d. Would like the attorney's advise on the section pertaining to removed directors
- e. Election schedule change
 - i) Committee recommends taking the election schedule out
- f. Section 12.1 Amendment
 - i) Section doesn't give the option for an outside firm to count ballots for us
 - ii) Want to fix that

G. DNA/Carcass Class

1. Received info from Neogen
2. This is going to be a process, not quick
3. A letter was drafted for Board Members to share with association members that explains our reason for switching companies
4. Not going to tell anyone to stop using UC Davis during the transition
5. Educating the membership will be vital
6. There are still questions to be figured out before we make the switch completely
7. Carcass Class
 - a. Record book was shown to the Board so we could all see what will be expected of participants
 - b. Will be subject to random drug testing
 - c. The animals are going straight into the food supply
 - d. Review of the Carcass Class Rules
 - e. Blake Quiggens
 - i) Judge for the ring portion of the contest
 - ii) Recommended by a committee member
 - f. Nick Hammit
 - i) Judging the carcasses

H. Education, Marketing, Member Relations and Benefits

1. Looking into magazine options
 - a. Possible biannual magazine?
2. Adult membership with Junior membership
 - a. How do we add value back?
3. Color selections for iCompete are being worked on

I. Finance

1. On par for last year in terms of income from registrations
2. Renewals in January are down from last year
3. Lacking an Investment Policy Statement
 - a. Working on it

J. Sanctioned Show

1. Concurrent Show Rules (Auxiliary Document #1)
 - a. Committee brought back their recommendations of what to change from the original document

Mike Reis moves to approve the proposed Concurrent Show Rules. Katherine Klug sec. Voice Vote.

Unanimous

Motion Passes

Discussion: While there are many similarities between a regular show with 1 judge and a concurrent show with 2 judges, there are some differences that needed to be specifically addressed due to the growing prevalence of the concurrent shows.

K. National Show Site

1. Louisville, Kentucky has two weeks available next year

- a. May 31st-June 7th, 2024
- b. June 8th-June 14th, 2024
- c. We will need to find out the specifics of when office personnel may come in and set up and similar information

Chuck Fitzwater moves to hold the 2024 JABGA/ABGA National Show in Louisville, KY from June 7th-June 14th, 2024. BJ Carbino sec. Voice Vote.

For: 13 votes

Against: 1 vote

Motion Passes

Discussion: The Board would like to begin a rotation consisting of holding the National Show at the same venue for two years and then changing venues. The dates are also reflective of how Nationals were run while in Grand Island, NE so only the added day built in for Junior contests will be sacrificed.

L. Judges Committee

1. Good ideas brewing in the committee for continued education for the judges
 - a. One idea being educational seminars open to both judges and regular members

Kevin Richmond moves to add Eddie Holland to the Judges Committee. Jacob Tipton sec. Voice Vote.

For: 13 votes

Against: 1 vote

Motion Passes

2. Working on where the Concurrent Show Rules will fit into the Judges' Showring Protocol
3. Discussing holding another certification course this year
 - a. Late summer-Early Fall in Colorado
4. 6 Judges have not returned all of their paperwork required for renewal

Chuck Fitzwater moves to give the 6 Judges until April 1, 2023 to meet the requirements for renewal. Mike Reis sec. Voice Vote.

Unanimous

Motion Passes

Discussion: There was no specific deadline given previously for all of the requirements. Now there is.

M. Youth and Regionals

1. Need to flesh out the rest of the prizes
2. Junior Logo needs finalized
3. Sponsor Level idea
 - a. Outside of the Regional Show Program

Leah Maertens moves to approve the Sponsorship Level proposal from the Junior Board. Mike Reis sec. Voice Vote.

Unanimous

Motion Passes

- 4. Drafting formal request letter to the Foundation for funds
- N. Office
 - 1. Podcast Trial
 - a. Working out kinks but have test run it and are capable
 - 2. Randy Bernhardt
 - a. Do we want to do more training with him?
 - 3. Ambassador to the Breed
 - a. How do we want to do nominations this year?
 - 4. Use of Logo
 - a. Do we want to allow people to use the ABGA Logo for their personal businesses?

Kevin Richmond moves to adjourn at 10:40pm CST. Mike Reis sec. Voice Vote.

Unanimous

Motion Passes

Respectfully Submitted,
Lane Reigle
ABGA Secretary

Auxiliary Document #1

Concurrent Show Rules

Definition: A concurrent show refers to multiple shows taking place at the same time, in the same ring, at the same venue. While the shows are going on at the same time and the same place, they are 2 separate shows and therefore must be treated as individual shows. The ABGA National Show and JABGA National Show are single placement shows judged by a team and do not fall under this category.

1. No more than two shows may be run concurrently at any given time. (Example: 2 ABGA or 1 ABGA/1 JABGA). If one of the two shows is a JABGA show, the JABGA member must be the only one in the ring showing that animal. The JABGA Bred and Owned Champions must be placed after each Overall Division Drive. All JABGA rules must be followed.
2. The show secretary shall note on the show application defining which shows will run concurrently with each other.
3. The show secretary shall notify judges at the time of the contract that shows are going to run concurrently with each other.
4. The show secretary shall is required to provide judges with separate ring stewards and class lists to mark placings. The class placings must be completed before class reasons are given.
 - a. Ring stewards must submit the completed class placings to the show secretary prior to the class being placed.
5. Judges are required to check all animals in a class themselves for any DQ faults, refraining from asking the other judge for an opinion on anything they may find questionable.
 - a. In the interest of time, in very large classes the judges are permitted to check only the animals from which each wish to make their final selections.
6. If a cut is made from a large class and the animals pulled by each judge are different:
 - a. The judges may decide to take turns working the ring with the animals they selected to pull from the larger class.
 - b. The judges may work the ring at the same time, remembering to only make their final placements from the selection they chose to keep from the larger class.
7. Division Drives and Overall Drives (especially those with different animals for each judge's show) will be handled differently than normal classes and are up to the show staff and the judges for how they would like to make their decisions:
 - a. The drive for one judge may be brought in, that judge decides on their champion and reserve, then makes note of it on a score card/to their ring steward. After that, the

- other judge's drive is brought in, they make their final decision, and talk their reasons. The first judge's drive is then brought back in, and they talk their reasons for their decision.
- b. One judge leaves the ring and moves far enough away that they are out of earshot, and the other judge proceeds to treat the drive like any other show. After the results and reasons are completed, the judge who left may return and proceed to do the same and treat the drive like a regular show.
8. Each judge is responsible for ensuring tattoos or microchips on all first place, division champion, and overall champion animals, as well as any other animals that stand to gain points during the show, are checked for their respective show. This is in effect even if both judges have the same animals being awarded any of the same placements.
 9. Judges are required to give reasons to at least fifth place for each of their respective shows. It's understood that people don't want to spend forever in the ring, but each show is its own entity and exhibitors deserve to hear the reasons for why they placed how they did in each individual show.
 10. Discussion of the class between judges prior to the class being officially placed by both judges is strictly prohibited.
 - a. Short comments (asking one another if it's alright to walk the animals, asking to switch the angle of view, witty remarks, etc.) are fine.
 - b. Private conversations between judges are strictly prohibited.
 11. It is highly recommended that show secretaries only request experienced judges for judging concurrent shows. Two shows running simultaneously in this manner could be viewed as a bit overwhelming for a novice judge.
 12. All ABGA and JABGA Sanctioned Show Rules and Judges' Protocols still apply to the Concurrent Shows.

Auxiliary Document #2

American Boer Goat Association Breed Standards

General Introduction:

Presented in this document are the Breed Standards by which the American Boer Goat Association evaluates all Boer Goats cataloged within its registry. These standards are an ***Ideal of Perfection***; a goal to strive towards and attempt to achieve. The ABGA Breed Standards, as well as all pictures and information provided on the ABGA Website, are tools to be used by breeders to help them improve their own breeding programs and work towards this ***Ideal of Perfection***.

I. Percentage Does

A. Head

1. A Percentage Doe should have a prominent, strong head with brown eyes that give a soft, gentle look to the face. They should not have an untamed or wild look. A Percentage Doe should exhibit an ennobled, Roman Nose consisting of a gentle curve, wide nostrils, and a well-formed mouth with well-opposed jaws. Percentage Does should have a feminine appearance about their heads.
2. The forehead should be prominent and form an even curve linking the nose and horns.
3. Horns should be: dark, round, strong, of moderate length, positioned well apart, and have a gradual backward curve before turning outward symmetrically.
 - a. In the cases of a broken horn due to a naturally occurring accident (fighting with other animals, head getting stuck, etc.) where the other horn is still intact, no discrimination is to be placed upon the animal.
 - b. If both horns get broken but one or both are showing signs of regrowth and repair, no discrimination is to be placed upon the animal.
4. The horns should be well spaced from the back of the neck to allow for full range of motion, without rubbing the neck at maturity.
5. Percentage Does may be polled (hornless) or have disbudded horns.
6. Ears should be smooth and pendulous with no folds or pinches at the base of the ear canal, and with enough length to lay smoothly against the head without interfering with the eye.
 - a. In the case of one or both ears of the animal being short due to a naturally occurring accident (frostbite, dog attacks, etc.), and neither ear exhibits any other disqualifying factors at the ear canal, the animal is not to be discriminated against.
7. The front of the upper dental pad must touch all incisors, at any point on the tooth above the gum, until the goat is 24 months of age.
8. After 24 months of age, an allowance of up to ¼ of an inch beyond the upper dental pad is permitted for incisor teeth.
 - a. A bite and jaw that fit correctly are still preferred, however.

9. Teeth must erupt in the proper sequential order.
10. Deciduous (baby) teeth that have been shed prior to the eruption of permanent teeth are not to be discriminated against.
 - a. Neither should deciduous (baby) teeth that have not yet been shed, before the corresponding permanent tooth is fully in place, be discriminated against.
11. There should be no more than 8 incisors present in the goat's mouth; unless there is a deciduous (baby) tooth still present as a result of the natural shedding process that has yet to fall out.
12. The first two incisors should be erupted by no later than 24 months of age.
13. **Faults:**
 - a. Dished or concave forehead/face
 - b. Bulging or wild eyes
 - c. Flat, straight, or wild type horns (elevated too far off the back of the head/neck)
 - d. Horns positioned too close together
 - e. Horns that grow too close/tight to the head or neck
 - f. Jaw too pointed
 - g. Shallow lower jaw
 - h. Twisted, crooked, or overlapping permanent teeth
14. **Disqualifications:**
 - a. Wry or twisted face
 - b. Cleft palate
 - c. Blue eyes
 - d. Ear folded lengthwise (from the top at the ear canal, down to the tip)
 - e. Ear crimped or narrowed at the base (ear canal)
 - f. Elf or Gopher Ears
 - g. Shortened lower jaw (parrot mouth)
 - h. The front of the upper dental pad does not touch all incisors at any point on the teeth above the gums, prior to 24 months of age
 - i. Incisor teeth protruding more than ¼ of an inch beyond the upper dental pad, after 24 months of age
 - j. Teeth not erupting in proper sequential order or position
 - k. More than 8 incisors when additional teeth are not the result of the natural shedding process of deciduous (baby) teeth
 - l. Any extreme occurrence of an aforementioned Fault

B. Neck and Forequarters

1. The neck should be of moderate length and in proportion to the overall length of the goat's body.
2. Percentage Does should exhibit a feminine neck that blends smoothly into the top and front of the shoulders and the brisket.
3. Shoulders should be fleshy and proportional to the body, without excessive looseness or protrusion of the shoulder blades.
4. The top of the shoulders should be broad, well rounded, and not come to a point.
5. The forequarters should be well muscled and blend smoothly into the knee.

6. **Faults:**
 - a. Neck too short, too long, or too thin
 - b. Excessive movement/looseness in the shoulder blades
 - c. Sternum protruding excessively in the brisket
 - d. Chest too narrow, too shallow, or too wide to the point that it causes the point of the elbow to be separated from the body
 - e. Excess deposits of fat in the brisket area (wasty brisket)
7. **Disqualifications:**
 - a. Any extreme occurrence of an aforementioned Fault

C. Body

1. The body should be boldly three-dimensional: exhibiting excellent length of loin, depth of body, and width across the top line all the way back from the hooks to the pins.
2. Percentage Does should possess a wedge shape (Feminine Wedge) that is deeper at the flank and becomes gradually shallower as you move forward to the heart girth.
 - a. This is an indication of body capacity sufficient to carry multiple kids while also maintaining adequate rumen function.
3. The heart girth should provide ample respiratory capacity, and should not appear pinched when viewed from the side or top.
4. Ribs should be well sprung.
5. The loin should be well muscled, wide, deep, and long.
6. The top line should be level throughout with an abundance of muscle from the top of the shoulders through the front of the hip.
7. Animals should exhibit adequate body conditioning relative to their age and stage of production, but not be extremely thin or show accumulation of excessive fat deposits.
8. **Faults:**
 - a. Swayback
 - b. A break/excessive dip in the top line behind the shoulders
 - c. Narrow/poorly sprung rib shape
 - d. Inadequate muscling through the back and loin
 - e. Pinched heart girth
 - f. Inadequate depth/capacity in the flank (tube shaped)
 - g. Excessive fat deposits
9. **Disqualifications:**
 - a. Any extreme occurrence of an aforementioned Fault

D. Hindquarters

1. A Percentage Doe's hip should be broad and long with a gentle slope from the hooks to the pin bones, while exhibiting adequate width for kidding.
2. The base of the tail must be centered and straight.
 - a. The remainder of the tail may curve upward or to one side.
3. The area of the rear legs between the pin bones and down through the inner thigh should be well muscled, deep, full, and firm.
4. Both the inner and outer thighs should be deep, wide, and muscular.

5. There should be ample muscling extending beyond the stifle towards the hock.
6. **Faults:**
 - a. Hip too steep
 - b. Hip too level
 - c. Short through the hip
 - d. Too narrow between the hooks and pins
 - e. Lack of muscling
 - f. Excessive deposits of fat (typically around the tail head)
7. **Disqualifications:**
 - a. Wry tail
 - b. Any extreme occurrence of an aforementioned Fault

E. Feet and Legs

1. The legs should be strong, well placed, and in proportion with the depth of body of the animal.
2. The legs should be well jointed and smoothly blended, allowing for ease of movement and soundness over a long, productive life.
3. Legs and hooves should exhibit adequate bone and size in proportion to the overall size of the animal, neither appearing too thick or too thin.
4. The front legs should be straight: the point of the shoulder, knee, pastern, and hoof should form a straight imaginary line from the point of the shoulder to the toe of the foot while viewing from the front of the animal.
5. The rear leg should form an imaginary line from the hip bone, down to the hock, and dropping down to the dewclaw when viewed from the side or rear of the animal.
6. Pasterns should be strong and medium length with at least a 45-degree angulation from the top of the rear hoof line to the dewclaw, when viewed from the side, while on the move or standing.
7. Hooves should be well-formed, as dark as possible, and point directly forward when viewed.
8. **Faults:**
 - a. Any deformities or abnormalities in the structure of the feet or legs
 - i) Knock Knees
 - ii) Buck Knees
 - iii) Calf Knees
 - iv) Bandy Legs
 - v) Pastern too short
 - vi) Pastern too long
 - vii) Sickie Hocked
 - viii) Post Legged (too straight in the hocks)
 - b. Any deformities or abnormalities in the hooves
 - c. Legs that are too straight
 - d. Legs that are too weak
 - e. Legs lacking sufficient bone/size in proportion to the animal's body
 - f. Hooves pointing inward or outward
 - g. Splayed toes

9. **Disqualifications:**

- a. Any foot or leg fault that adversely affects the animal's gait or causes lameness
- b. Pasterns so weak as to cause the dewclaws to drop below a 45-degree angulation from the top of the rear hoof line to the dewclaws while on the move or standing
- c. Any extreme occurrence of an aforementioned Fault

F. Skin and Coverings

1. The skin should be loose and supple, with short, glossy hair preferred.
2. A limited amount of winter down or undercoat will be acceptable during the winter months, especially in colder environments.
3. Percentage Does less than 6 months of age are required to have at least 50% pigmentation on the hairless area under the tail.
 - a. This includes around the anus and vulva.
 - b. 100% pigmentation is preferred.
4. Percentage Does 6 months of age and older are required to have at least 75% pigmentation on the hairless area under the tail.
 - a. This includes around the anus and vulva.
 - b. 100% pigmentation is preferred.
5. **Faults:**
 - a. Excess skin on the neck, under the jaw (Dewlap), resulting in the animal having a less clean/feminine appearance
 - b. Hair too long
 - c. Hair too coarse
6. **Disqualifications:**
 - a. Does under 6 months of age with less than 50% pigmentation on the hairless area under the tail
 - b. Does 6 months of age and older with less than 75% pigmentation on the hairless area under the tail

G. Reproductive Organs

1. Does should have a well-formed udder with good fore and rear attachment: the udder should be well supported throughout the productive life of the doe, with the floor of the udder at or above the level of the hocks.
2. It is important that the udder is constructed so that the offspring can nurse unassisted.
3. IDEAL teat structures consist of either one or two, well separated, functional teats on each half of the udder.
4. ACCEPTABLE teat structures consist of no more than two functional teats per side and may include:
 - a. One or more non-functional teats with no more than one additional non-functional teat or protrusion attached to the main teat, as long as it does not interfere with or prevent nursing.
 - b. A split teat with two distinctly separate teats and orifices, when at least 50% of the body of the teat is separated.

- i) Counts as two functional teats per side allowed.
- c. Only one of the two functional teats per side can contain two milk channels (Double Orifice) with a smooth or rounded end, and with no sign of a dimple or division between the orifices.
- 5. Refer to the TEAT DIAGRAM and pictures for additional information on teat structures.
- 6. Does must have kidded or show evidence of visible udder formation consistent with late-term pregnancy by 24 months of age.
- 7. **Faults:**
 - a. Infantile or underdeveloped vulva by 24 months of age
 - b. Udder and teat abnormalities or defects
 - c. Poorly attached or pendulous udder
- 8. **Disqualifications:**
 - a. Any udder or teat structure that prevents a newborn kid from nursing unassisted
 - b. More than two functional teats on one half of the udder
 - c. Split teat when less than 50% of the body of the teat is separated
 - d. Additional, functional teat(s) attached to the main teat
 - e. More than two milk channels in one teat
 - f. Bulbous teats
 - g. A doe that has not kidded, nor is showing evidence of visible udder formation consistent with late-term pregnancy, by 24 months of age
 - h. Any extreme occurrence of an aforementioned Fault

H. Coloration

- 1. The traditional Boer Goat is white bodied with a red head, but no preference is given to any hair color.

II. Fullblood Does

A. Head

- 1. A Fullblood Doe should have a prominent, strong head with brown eyes that give a soft gentle look to the face. They should not have an untamed or wild look. A Fullblood Doe should exhibit an ennobled, Roman Nose consisting of a gentle curve, wide nostrils, and a well-formed mouth with well-opposed jaws. Fullblood Does should have a feminine appearance about their heads.
- 2. The forehead should be prominent and form an even curve linking the nose and horns.
- 3. Horns should be: dark, round, strong, of moderate length, positioned well apart, and have a gradual backward curve before turning outward symmetrically.
 - a. In the cases of a broken horn due to a naturally occurring accident (fighting with other animals, head getting stuck, etc.) where the other horn is still intact, no discrimination is to be placed upon the animal.
 - b. If both horns get broken but one or both are showing signs of regrowth and repair, no discrimination is to be placed upon the animal.
- 4. The horns should be well spaced from the back of the neck to allow for full range of motion, without rubbing the neck at maturity.

5. Ears should be smooth and pendulous with no folds or pinches at the base of the ear canal, and with enough length to lay smoothly against the head without interfering with the eye.
 - a. In the case of one or both ears of the animal being short due to a naturally occurring accident (frostbite, dog attacks, etc.), and neither ear exhibits any other disqualifying factors at the ear canal, the animal is not to be discriminated against.
6. The front of the upper dental pad must touch all incisors, at any point on the tooth above the gum, until the goat is 24 months of age.
7. After 24 months of age, an allowance of up to $\frac{1}{4}$ of an inch beyond the upper dental pad is permitted for incisor teeth.
 - a. A bite and jaw that fit correctly are still preferred, however.
8. Teeth must erupt in the proper sequential order.
9. Deciduous (baby) teeth that have not been shed prior to the eruption of permanent teeth are not to be discriminated against.
 - a. Neither should deciduous (baby) teeth that have not yet been shed, before the corresponding permanent tooth is full in place, be discriminated against.
10. There should be no more than 8 incisors present in the goat's mouth; unless there is a deciduous (baby) tooth still present as a result of the natural shedding process that has yet to fall out.
11. The first two incisors should be erupted by no later than 24 months of age.
12. **Faults:**
 - a. Dished or concave forehead/face
 - b. Bulging or wild eyes
 - c. Flat, straight, or wild type horns (elevated too far off the back of the head/neck)
 - d. Horns positioned too close together
 - e. Horns that grow too close/tight to the head or neck
 - f. Erect or airplane ears
 - g. Jaw too pointed
 - h. Shallow lower jaw
 - i. Twisted, crooked, or overlapping permanent teeth
13. **Disqualifications:**
 - a. Wry or twisted face
 - b. Cleft palate
 - c. Blue eyes
 - d. Naturally Polled Horns
 - e. Dehorned
 - f. Ear folded lengthwise (from the top at the ear canal, down to the tip)
 - g. Ear crimped or narrowed at the base (ear canal)
 - h. Elf or Gopher Ears
 - i. Shortened lower jaw (parrot mouth)
 - j. The front of the upper dental pad does not touch all incisors at any point on the teeth above the gums, prior to 24 months of age

- k. Incisor teeth protruding more than ¼ of an inch beyond the upper dental pad, after 24 months of age
- l. Teeth not erupting in proper sequential order or position
- m. More than 8 incisors when additional teeth are no the result of the natural shedding process of deciduous (baby) teeth
- n. Any extreme occurrence of an aforementioned Fault

B. Neck and Forequarters

- 1. The neck should be of moderate length and in proportion to the overall length of the goat's body.
- 2. Fullblood Does should exhibit a feminine neck that blends smoothly into the top and front of the shoulders and the brisket.
- 3. Shoulders should be fleshy and proportional to the body, without excessive looseness or protrusion of the shoulder blades.
- 4. The top of the shoulders should be broad, well rounded, and not come to a point.
- 5. The forequarters should be well muscled and blend smoothly into the knee.
- 6. **Faults:**
 - a. Neck too short, too long, or too thin
 - b. Excessive movement/looseness in the shoulder blades
 - c. Sternum protruding excessively in the brisket
 - d. Chest too narrow, too shallow, or too wide to the point that is causes the point of the elbow to be separated from the body
 - e. Excess deposits of fat in the brisket area (wasty brisket)
- 7. **Disqualifications:**
 - a. Any extreme occurrence of an aforementioned Fault

C. Body

- 1. The body should be boldly three-dimensional: exhibiting excellent length of loin, depth of body, and width across the top line all the way back from the hooks to the pins.
- 2. Fullblood Does should possess a wedge shape (Feminine Wedge) that is deeper at the flank and becomes gradually shallower as you move forward to the heart girth.
 - a. This is an indication of body capacity sufficient to carry multiple kids while also maintaining adequate rumen function.
- 3. The heart girth should provide ample respiratory capacity, and should not appear pinched when viewed from the side or top.
- 4. Ribs should be well sprung.
- 5. The loin should be well muscled, wide, deep, and long.
- 6. The top line should be level throughout with an abundance of muscle from the top of the shoulders through the front of the hip.
- 7. Animals should exhibit adequate body conditioning relative to their age and stage of production, but not extremely thin or show accumulation of excessive fat deposits.
- 8. **Faults:**
 - a. Swayback
 - b. A break/excessive dip in the top line behind the shoulders

- c. Narrow/poorly sprung rib shape
- d. Inadequate muscling through the back and loin
- e. Pinched heart girth
- f. Inadequate depth/capacity in the flank (tube shaped)
- g. Excessive fat deposits

9. **Disqualifications:**

- a. Any extreme occurrence of an aforementioned Fault

D. Hindquarters

- 1. A Fullblood Doe's hip should be broad and long with a gentle slope from the hooks to the pin bones, while exhibiting adequate width for kidding.
- 2. The base of the tail must be centered and straight.
 - a. The remainder of the tail may curve upward or to one side.
- 3. The area of the rear legs between the pin bones and down through the inner thigh should be well muscled, deep, full, and firm.
- 4. Both inner and outer thighs should be deep, wide, and muscular.
- 5. There should be ample muscling extending beyond the stifle towards the hock.

6. **Faults:**

- a. Hip too steep
- b. Hip too level
- c. Short through the hip
- d. Too narrow between the hooks and pins
- e. Lack of muscling
- f. Excessive deposits of fat (typically around the tail head)

7. **Disqualifications:**

- a. Wry tail
- b. Any extreme occurrence of an aforementioned Fault

E. Feet and Legs

- 1. The legs should be strong, well placed, and in proportion with the depth of body of the animal.
- 2. The legs should be well jointed and smoothly blended, allowing for ease of movement and soundness over a long, productive life.
- 3. Legs and hooves should exhibit adequate bone and size in proportion to the overall size of the animal, neither appearing too thick or too thin.
- 4. The front legs should be straight: the point of the shoulder, knee, pastern, and hoof should form a straight imaginary line from the point of the shoulder to the toe of the foot while viewing from the front of the animal.
- 5. The rear leg should form an imaginary line from the hip bone, down to the hock, and dropping down to the dewclaw when viewed from the side or rear of the animal.
- 6. Pasterns should be strong and medium length with at least a 45-degree angulation from the top of the rear hoof line to the dewclaw, when viewed from the side, while on the move or standing.
- 7. Hooves should be well formed, as dark as possible, and point directly forward when viewed.

8. **Faults:**

- a. Any deformities or abnormalities in the structure of the feet or legs
 - i) Knock Knees
 - ii) Buck Knees
 - iii) Calf Knees
 - iv) Bandy Legs
 - v) Pastern too short
 - vi) Pastern too long
 - vii) Sickie Hocked
 - viii) Post Legged (too straight in the hocks)
- b. Any deformities or abnormalities in the hooves
- c. Legs that are too straight
- d. Legs that are too weak
- e. Legs lacking sufficient bone/size in proportion to the animal's body
- f. Hooves pointing inward or outward
- g. Splayed toes

9. **Disqualifications:**

- a. Any foot or leg fault that adversely affects the animal's gait or causes lameness
- b. Pasterns so weak as to cause the dewclaws to drop below a 45-degree angulation from the top of the rear hoof line to the dewclaws while on the move or standing
- c. Any extreme occurrence of an aforementioned Fault

F. Skin and Coverings

- 1. The skin should be loose and supple, with short, glossy hair preferred.
- 2. A limited amount of winter down or undercoat will be acceptable during the winter months, especially in colder environments.
- 3. Fullblood Does less than 6 months of age are required to have at least 50% pigmentation on the hairless area under the tail.
 - a. This includes around the anus and vulva.
 - b. 100% pigmentation is preferred.
- 4. Fullblood Does 6 months of age and older are required to have at least 75% pigmentation on the hairless area under the tail.
 - a. This includes around the anus and vulva.
 - b. 100% pigmentation is preferred.
- 5. **Faults:**
 - a. Excess skin on the neck, under the jaw (Dewlap), resulting in the animal having a less clean/feminine appearance
 - b. Hair too long
 - c. Hair too coarse
- 6. **Disqualifications:**
 - a. Does under 6 months of age with less than 50% pigmentation on the hairless area under the tail
 - b. Does 6 months of age and older with less than 75% pigmentation on the hairless area under the tail

G. Reproductive Organs

1. Does should have a well-formed udder with good fore and rear attachment: the udder should be well supported throughout the productive life of the doe, with the floor of the udder at or above the level of the hocks.
2. It is important that the udder is constructed so that the offspring can nurse unassisted.

 - i) Counts as two functional teats per side allowed.
 - c. Only one of the two functional teats per side can contain two milk channels (Double Orifice) with a smooth or rounded end, and with no sign of a dimple or division between the orifices.
5. Refer to the TEAT DIAGRAM and pictures for additional information on teat structures.
6. Does must have kidded or show evidence of visible udder formation consistent with late-term pregnancy by 24 months of age
7. **Faults:**
 - a. Infantile or underdeveloped vulva by 24 months of age
 - b. Udder and teat abnormalities or defects
 - c. Poorly attached or pendulous udder
8. **Disqualifications:**
 - a. Any udder or teat structure that prevents a newborn kid from nursing unassisted
 - b. More than two functional teats on one half of the udder
 - c. Split teat when less than 50% of the body of the teat is separated
 - d. Additional, functional teat(s) attached to the main teat
 - e. More than two milk channels in one teat
 - f. Bulbous teats
 - g. A doe that has not kidded, nor is showing evidence of visible udder formation consistent with late-term pregnancy, by 24 months of age
 - h. Any extreme occurrence of an aforementioned Fault

H. Coloration

1. The traditional Boer Goat is white bodied with a red head, but no preference is given to any hair color.

III. Fullblood Bucks

A. Head

1. A Fullblood Buck should have a prominent, strong head with brown eyes that give a soft, gentle look to the face. They should not have an untamed or wild

look. A Fullblood Buck should exhibit an ennobled, Roman Nose consisting of a gentle curve, wide nostrils, and a well-formed mouth with well-opposed jaws. Fullblood Bucks should have a strong, masculine appearance about their heads.

2. The forehead should be prominent and form an even curve linking the nose and horns.
3. Horns should be: dark, round, strong, of moderate length, positioned well apart, and have a gradual backward curve before turning outward symmetrically.
 - a. In the cases of a broken horn due to a naturally occurring accident (fighting with other animals, head getting stuck, etc.) where the other horn is still intact, no discrimination is to be placed upon the animal.
 - b. If both horns get broken but one or both are showing signs of regrowth and repair, no discrimination is to be placed upon the animal.
4. The horns should be well spaced from the back of the neck to allow for full range of motion, without rubbing the neck at maturity.
5. Ears should be smooth and pendulous with no folds or pinches at the base of the ear canal, and with enough length to lay smoothly against the head without interfering with the eye.
 - a. In the case of one or both ears of the animal being short due to a naturally occurring accident (frostbite, dog attacks, etc.), and neither ear exhibits any other disqualifying factors at the ear canal, the animal is not to be discriminated against.
6. The front of the upper dental pad must touch all incisors, at any point on the tooth above the gum, until the goat is 24 months of age.
7. After 24 months of age, and allowance of up to $\frac{1}{4}$ of an inch beyond the upper dental pad is permitted for incisor teeth.
 - a. A bite and jaw that fit correctly are still preferred, however.
8. Teeth must erupt in the proper sequential order.
9. Deciduous (baby) teeth that have been shed prior to the eruption of permanent teeth are not to be discriminated against.
 - a. Neither should deciduous (baby) teeth that have not yet been shed, before the corresponding permanent tooth is fully in place, be discriminated against.
10. There should be no more than 8 incisors present in the goat's mouth; unless there is a deciduous (baby) tooth still present as a result of the natural shedding process that has yet to fall out.
11. The first two incisors should be erupted by no later than 24 months of age.
12. **Faults:**
 - a. Dished or concave forehead/face
 - b. Bulging or wild eyes
 - c. Flat, straight, or wild type horns (elevated too far off the back of the head/neck)
 - d. Horns positioned too close together
 - e. Horns that grow too close/tight to the head or neck
 - f. Erect or airplane ears

- g. Jaw too pointed
- h. Shallow lower jaw
- i. Twisted, crooked, or overlapping permanent teeth
- j. A head that is too small/refined in proportion to the rest of the body, giving a more feminine appearance

13. **Disqualifications:**

- a. Wry or twisted face
- b. Cleft palate
- c. Blue eyes
- d. Naturally Polled Horns
- e. Dehorned
- f. Ear folded lengthwise (from the top at the ear canal, down to the tip)
- g. Ear crimped or narrowed at the base (ear canal)
- h. Elf or Gopher Ears
- i. Shortened lower jaw (parrot mouth)
- j. The front of the upper dental pad does not touch all incisors at any point on the teeth above the gums, prior to 24 months of age
- k. Incisor teeth protruding more than ¼ of an inch beyond the upper dental pad, after 24 months of age
- l. Teeth not erupting in proper sequential order or position
- m. More than 8 incisors when additional teeth are not the result of the natural shedding process of deciduous (baby) teeth
- n. Any extreme occurrence of an aforementioned Fault

B. Neck and Forequarters

- 1. The neck should be of moderate length and in proportion to the overall length of the goat's body.
- 2. Fullblood Bucks should have heavily muscled necks displaying masculinity.
- 3. Fullblood Bucks should display heavier muscling through the neck and forequarters than Does.
- 4. Shoulders should be fleshy and proportional to the body, without excessive looseness or protrusion of the shoulder blades.
- 5. The top of the shoulders should be broad, well rounded, and not come to a point.
- 6. The forequarters should be well muscled and blend smoothly into the knee.

7. **Faults:**

- a. Neck too short, too long, or too thin
- b. Excessive movement/looseness in the shoulder blades
- c. Sternum protruding excessively in the brisket
- d. Chest too narrow, too shallow, or too wide to the point that it causes the point of the elbow to be separated from the body
- e. Excess deposits of fat in the brisket area (wasty brisket)

8. **Disqualifications:**

- a. Any extreme occurrence of an aforementioned Fault

C. Body

1. The body should be boldly three-dimensional: exhibiting excellent length of loin, depth of body, and width across the top line all the way back from the hooks to the pins.
2. Fullblood Bucks should possess a more uniform depth of body from the heart girth back to the flank, favoring the heart girth.
 - a. This is an indication of masculinity and sufficient capacity for internal organs such as the heart and lungs, while also maintaining space in the flank for adequate rumen function.
3. The heart girth should provide ample respiratory capacity, and should not appear pinched when viewed from the side or top.
4. Ribs should be well sprung.
5. The loin should be well muscled, wide, deep, and long.
6. The top line should be level throughout with an abundance of muscle from the top of the shoulders through the front of the hip.
7. Animals should exhibit adequate body conditioning relative to their age and stage of production, but not be extremely thin or show accumulation of excessive fat deposits.
8. **Faults:**
 - a. Swayback
 - b. A break/excessive dip in the top line behind the shoulders
 - c. Narrow/poorly sprung rib shape
 - d. Inadequate muscling through the back and loin
 - e. Pinched heart girth
 - f. Inadequate depth in the heart girth and excessive depth in the flank, giving a more maternal and feminine appearance
 - g. Excessive fat deposits
9. **Disqualifications:**
 - a. Any extreme occurrence of an aforementioned Fault

D. Hindquarters

1. A Fullblood Buck's hip should be broad and long with a gentle slope from the hooks to the pin bones, with clearly defined and adequate width.
2. The base of the tail must be centered and straight.
 - a. The remainder of the tail may curve upward or to one side.
3. The area of the rear legs between the pin bones and down through the inner thigh should be well muscled, deep, full, and firm.
4. Both the inner and outer thighs should be deep, wide, and muscular.
5. There should be ample muscling extending beyond the stifle towards the hock.
6. A deep twist in Fullblood Bucks is desirable, showing length between the bottom of the anus and where the leg split defines the muscling of the inner thigh.
7. **Faults:**
 - a. Hip too steep
 - b. Hip too level
 - c. Short through the hip
 - d. Too narrow between the hooks and pins

- e. Lack of muscling
- f. Excessive deposits of fat (typically around the tail head)
- 8. **Disqualifications:**
 - a. Wry tail
 - b. Any extreme occurrence of an aforementioned Fault

E. Feet and Legs

- 1. The legs should be strong, well placed, and in proportion with the depth of body of the animal.
- 2. The legs should be well jointed and smoothly blended, allowing for ease of movement and soundness over a long, productive life.
- 3. Legs and hooves should exhibit adequate bone and size in proportion to the overall size of the animal, neither appearing too thick or too thin.
- 4. The front legs should be straight: the point of the shoulder, knee, pastern, and hoof should form a straight imaginary line from the point of the shoulder to the toe while viewing from the front of the animal.
- 5. The rear leg should form an imaginary line from the hip bone, down to the hock, and dropping down to the dewclaw when viewed from the side or rear of the animal.
- 6. Pasterns should be strong and medium length with at least a 45-degree angulation from the top of the rear hoof line to the dewclaw, when viewed from the side, while on the move or standing.
- 7. Hooves should be well formed, as dark as possible, and point directly forward when viewed.
- 8. **Faults:**
 - a. Any deformities or abnormalities in the structure of the feet and legs
 - i) Knock Knees
 - ii) Buck Knees
 - iii) Calf Knees
 - iv) Bandy Legs
 - v) Pastern too short
 - vi) Pastern too long
 - vii) Sickie Hocked
 - viii) Post Legged (too straight in the hocks)
 - b. Any deformities or abnormalities in the hooves
 - c. Legs that are too straight
 - d. Legs that are too weak
 - e. Legs lacking sufficient bone/size in proportion to the animal's body
 - f. Hooves pointing inward or outward
 - g. Splayed toes
- 9. **Disqualifications:**
 - a. Any foot or leg fault that adversely affects the animal's gait or causes lameness
 - b. Pasterns so weak as to cause the dewclaws to drop below a 45-degree angulation from the top of the rear hoof line to the dewclaws while on the move or standing
 - c. Any extreme occurrence of an aforementioned Fault

F. Skin and Coverings

1. The skin should be loose and supple, with short, glossy hair preferred.
2. Mature Fullblood Bucks should have a pleated appearance to the skin on the front of, and around, the neck.
3. A limited amount of winter down or undercoat will be acceptable during the winter months, especially in colder environments.
4. Fullblood Bucks less than 6 months of age are required to have at least 50% pigmentation on the hairless area under the tail.
 - a. This includes around the anus.
 - b. 100% pigmentation is preferred.
5. Fullblood Bucks 6 months of age and older are required to have at least 75% pigmentation on the hairless area under the tail.
 - a. This includes around the anus.
 - b. 100% pigmentation is preferred.
6. **Faults:**
 - a. Hair too long
 - b. Hair too coarse
7. **Disqualifications:**
 - a. Bucks under 6 months of age with less than 50% pigmentation on the hairless area under the tail
 - b. Bucks 6 months of age and older with less than 75% pigmentation on the hairless area under the tail

G. Reproductive Organs

1. Fullblood Bucks must have two large, well-formed, functional testicles of equal size in a single scrotum with a distinct epididymis.
2. A split in the apex of the scrotum of no greater than 1 inch in length is permitted, but not preferred.
3. The scrotum should be well attached and not overly pendulous.
4. The apex of the scrotum should hang straight from the attached area of the body without having any twisting from one or both testicles.
5. **Faults:**
 - a. Excessively pendulous scrotum that allows for potential damage
6. **Disqualifications:**
 - a. Undescended or missing testicle(s)
 - b. Underdevelopment of the testicles for the age of the animal
 - c. Abnormal or diseased testicle(s)
 - d. A split in the apex of the scrotum that exceeds 1 inch in length
 - e. Twisting of one or both testicles originating where the scrotum meets the body

H. Coloration

1. The traditional Boer Goat is white bodied with a red head, but no preference is given to any hair color.

American Boer Goat Association Teat Chart

PREFERRED TEAT STRUCTURES

Preferred teat structures offer the newborn kid the best opportunity to nurse unassisted.

Preferred teat structures consist of either one or two, well-separated, functional teats on each half of the udder (P1, P2). One additional, non-functional teat further toward the doe's stomach is not discriminated against (P3, P4).

ACCEPTABLE TEAT STRUCTURES

Acceptable teat structures should allow the newborn kid the ability to nurse unassisted and must have no more than two functional teats on each half of the udder. Some acceptable teat structures may become disqualifying over the productive life of the doe if the teat becomes difficult or impossible to nurse unassisted.

Acceptable teat structures include:

- One or more non-functional teats in addition to functional teat(s) (A1, A2, A11)
- Split teats, when at least 50% of the body of the teat is separated (A3, A4, A5)
- Teats containing two milk channels with no sign of separation between teat channels (A6, A7, A8)
- Teats with one additional, non-functional teat attached to the main teat (A7, A9, A10, A11)

DISQUALIFYING TEAT STRUCTURES

Any teat structure that prevents a newborn kid from nursing unassisted is a disqualification.

Disqualifying structures include:

- Split teats, when less than 50% of the body of the teat is separated (D1, D2, D3, D4)
- Teats with additional, functional teat(s) attached to the main teat (D5, D6)
- Teats with more than two milk channels (D7)
- More than two functional teats on one half of the udder (D7, D8)
- Bulbous teats, or the complete lack of a milk channel on one half of the udder

ABGA Board of Directors Code of Ethics

We, as Board Directors of the American Boer Goat Association, dedicate ourselves to carrying out the mission of this association. We will do the following:

1. Recognize that the chief function of American Boer Goat Association, at all times, is to serve the best interests of our association and its greater constituency.
2. Accept as a personal duty the responsibility to keep up-to-date on emerging issues and to conduct ourselves with professional competence, fairness, impartiality, efficiency and effectiveness.
3. Respect the structure and responsibilities of the board, provide them with facts and advice as a basis for their making policy decisions, and uphold and implement policies adopted by the board and the association.
4. To maintain positive communication with the members of the association. Keep the members informed about relevant information and updates of direct changes occurring within the organization.
5. Conduct our organizational and operational duties with positive leadership exemplified by open communication, creativity, dedication, and compassion.
6. Exercise whatever discretionary authority we have under the law to carry out the mission of the American Boer Goat Association.
7. Serve with respect, concern, courtesy, and responsiveness in carrying out the organization's mission.
8. Demonstrate the highest standards of personal integrity, truthfulness, honesty, and fortitude in all our activities in order to inspire confidence and trust in our activities.
9. Avoid any interest or activity that is in conflict with, or perceived conflict with, the conduct of our official duties.
10. Respect and protect privileged information to which we have access in the course of our official duties.
11. Strive for personal and professional excellence and encourage the professional developments of others.
12. Should not be, or appear to be, subject to influences, interests, or relationships that conflict with the interests of the ABGA or its ability to operate for the benefit of the ABGA community as a whole.

13. Maintain a professional level of courtesy, respect, and objectivity in all ABGA activities.
14. Strive to uphold those practices and assist other ABGA Board of Directors in upholding the highest standards of conduct.
15. Impairment while conducting ABGA business is strictly prohibited.
16. Exercise the powers invested for the good of all members of the ABGA rather than for his or her personal benefit.
17. Ensure the right of all association members, volunteer, or staff to appropriate and effective services without discrimination in respect to gender, sexual orientation, national origin, race, religion, age, political affiliation, or disability, in accordance with all applicable legal and regulatory requirements.
18. Respect the diversity of opinions as expressed or acted upon by the ABGA board, committees and membership, and formally register dissent as appropriate.
19. Promote collaboration, cooperation, and partnership among association members.
20. Maintain a constant awareness that anything said on social media and in person can directly reflect upon the association. All communications should be professional and refrain from communication that undermine the integrity and well-being of the association and your position as a Board of Director.

Board members will discuss with the President of the Board of Directors any questions or issues that may arise concerning compliance with this Code of Ethics. Breaches of this Code, whether intentional or unintentional, shall be reviewed by the Executive Committee of the Board of Directors, which, if necessary, shall make recommendations to the full Board for corrective action. Serious breaches of this Code may be cause for dismissal of the Board Member committing the infraction.

All Board Members shall read this Code at least annually, and shall certify in writing that they have done so and that they understand the Code.

Treasurer's Report

2021 Audit complete – Discussion: no wrongdoing or fraudulent activity found. Everything is within GAP compliance. List of many unclaimed credit line – the majority of which are under \$10 - work to get them cleaned up toward the end of the year. Want to get 2022 Audit completed by mid-November.

Membership – almost 800 new members in August. Annual membership base is trending towards pre-covid statistics, which we have identified and are tracking

Financial Statistics – membership is off for the year and registration is down for the year, which was projected in December 2022. Our management of the expenses has lowered - the net income is \$144,000 over this time last year. Income generators need some work., but belief is that iCompete will bring that back.

Budget looks like it could allow for Junior and Adult Board Face to Face Meeting.

Gage Taylor makes a motion to accept the Treasurer's Report. Chuck Fitzwater sec. Voice Vote. Unanimous. Motion passes.

December Face to Face Meeting

Discussion: Zoom call on a Saturday. Team building and connections made in person. Amount of ground can be covered. Find better rates for hotels? Determined last December that we needed to save in the budget, but because of cost saving measures we have the funds to cover it, if deemed.

Mike left call at 7:15

Kim Morgan joins at 7:19

Mike Reis joins at 7:20

Cameron Drew makes the motion to have a Face to Face Meeting in December. Brad Mackey sec. Roll Call Vote.

Yes – Kim Veal, Rosalinda Vizina, Lauren green, Brad Mackey, Cameron Drew, Chuck Fitzwater, Sam Knott

No – Ken Baty, Dan Elliot, Gage Taylor

Abstain – Leah Maertens

Discussion: Location – Central Airport hubs – Atlanta, DFW, getting a meeting room and the cost of that.

Chuck Fitzwater makes a motion to have the December Face to Face on December 1-2, 2023.

Mike Reis sec. Voice Vote. Yes – 12, No – 1. Motion passes.

Ken Baty makes a motion to add Katherine Klug to the bank signature card. Chuck Fitzwater sec. Voice Vote. Unanimous Vote. Motion passes.

JABGA

Proposal for Non-Certified Judges on Market Show Ballot

For the JABGA 2024 national show the Junior board would like to implement a new market judge system. This system would allow for Junior board members to send invitations to non-certified ABGA judges to have their name placed on the JABGA ballot for the market show. The invitation would not automatically place them as the judge for the national show but simply allow them to be voted on by the membership, if they accept the invitation. We would send out five invitations to non-certified judges. However the market show ballot would still be open to all eligible ABGA certified judges.

For the 2023 JABGA market show we had a non-certified judge placing animals. With that being said we had a great set of numbers in our market show. As the Junior board we feel as though having non-certified judges on the ballot will make for a more effective ballot and hopefully increase our market and commercial show numbers.

Thank you for your time and consideration,
The Junior Board

*Gage Taylor makes the motion to accept the proposal brought forward by the JABGA Board.
Brad Mackey sec. Voice Vote. 10 – YES, 3 – Abstain. Motion passes.*

Sanctioned Shows

Discussion: Banned Members – how will show secretaries know who the banned members are? How can the rule be enforced if they don't know? Sanctioned Show Committee will get a list compiled.

Membership Growth at Regional Level – Discussion: 5 year – 10 year look at on membership data. What our membership looks like at by region, by state. Data modelling to get a better retention and grow. Resources and incentives to come back to organization. Data dump – get raw data.

Follow up on Membership Growth at next meeting

Region 7 Director Vacancy – Kevin Richmond nominates Casey McClain to replace Katherine Klug's Director seat.

Ken Baty makes the motion to accept Casey McClain's appointment to the Region 7 seat. Sam Knott sec. Voice Vote. 11 – Yes, 2 – Abstain. Motion passes.

Staffing

Field Representative

Discussion: Important to get someone to go out, wear the hat, promote. Doesn't need to be in San Angelo. Is this more of a CEO or field rep, same or different role. Be the face of the organization. Let's put something on paper and come back to it.

COE, Office Manager, and Interim Project Manager

Discussion: Shells to build these positions, CEO and ED position, public relations, getting us out there. As a board do we clearly understand the roles and responsibilities. To be a long-time without these roles and descriptions. How do we move these positions forward with our strategic plan. We can't continue to do nothing.

Chuck Fitzwater makes the motion to go into executive session at 8:35. Cameron Drew sec. Voice Vote. Unanimous. Motion Passes.

Leah Maertens makes the motion to leave executive session at 8:52. Gage Taylor sec. Voice Vote. Unanimous. Motion Passes.

Office Update

Office Manager – sent a job offer and in negotiations. Job needs are different than originally thought, in the event she turns it down, job description will be re-written to better fit the current need.

iCompete – Roadmap to getting it done – We are now getting more concise and consistent updates. Running punch list of changes. Problem is 3 different user sites – Member, Staff, and eventually Show Affiliate, as well as mobile and computer interface. Updates may only show on 1 but not on all sites. Going through page by page and step by step on specific tasks. Creating videos and content for members. Creating written protocols and procedures for staff. Goal is to build confidence in experience and faith in program. Webpage in progress with protocols, list of known issues, how-tos, etc.

Each page and task has 6 steps that have to be completed.

Is it functional? (can the task be completed – may have to have work around to complete it)

Make it user friendly (task completed without work arounds)

Make it Newbie Proof (be able to intrinsically complete a task from start to finish, layout makes sense and flows)

Create staff protocol (written procedures explaining each step. Enable staff to successfully complete tasks from start to finish)

Create member protocols/videos (explain how to complete each task and step)

Create visually pleasing content for social media and website

FINANCE: TREASURERS REPORT

Financials through September-Expenses continue to track at or below our fiscal budget for 2023.

Income Presentation

1. Memberships at the end of September sits at 8025. We added 154 members in September.
 - a. Adult and Junior renewal memberships are tracking on plan for our 2023 budget.
 - b. Brand new memberships for Adults and Juniors are lagging behind plan for 2023.
 - c. As a whole we will continue to see additional memberships during the last 3 months of 2023, trending toward "pre-covid" membership levels.
2. Actions taken by the ABGA Board and Finance Committee to ensure we are stewarding our association's balance sheet and investment funds.
 - a. In July of 2022, the ABGA Board met with our banker in San Angelo Texas (First Financial Bank)
 1. We were presented with several options to steward our investment funds better for the association. The board agreed to have the Finance Committee proceed with more research and develop a formal investment plan.
 - b. In the Fall of 2022, the current Executive Director at that time and the Finance Committee had a zoom call with First Financial Bank to learn more about their services and portfolio investment options that they recommended for us.
 - c. In the Fall of 2022, ABGA successfully consolidated all of our banking accounts and bonds from various institutions from around the country.
 1. For the first time in a number of years ABGA was able to manage all funds and accounts and have direct management for all of our accounts.
 - d. During the face-to-face meeting in December of 2022, the Board took corrective measures to balance our 2023 budget (cutting costs and balancing some income generation line items within our budget)
 - e. During Winter of 2022 and Spring of 2023, the Finance team continued to work on an official investment Plan for ABGA.
 - f. At the face-to-face meeting in July of 2023, a formal investment plan was presented to the entire board of directors and a conservative and fiscally responsible strategy was voted upon and approved by the board. Our investment plan aligns with our ABGA mission statement and is consistent with the intent of improving our association.
 - g. In August of 2023 we started a three month transition phase to move our funding over the new investment portfolio of conservative and low risk stable stocks and bonds

Discussion– Has to do with all the funds being at one bank. Diversifying funds
We have stocks and bonds outside of the bank in the event the bank goes under.

Ken Baty makes the motion to accept the Finance Report. Rosalinda Vizina sec. Voice Vote. Unanimous Motion Passes.

OFFICE UPDATE

iCompete- System was not fully functional when ILR stopped support. 30 years of data in different places and folders did not cleanly transfer. In addition, ILR did not provide reference or learning material on how to use iCompete. Everything has been learned through trial and error. They are looking into each issue and tracking down the root cause to correct. Staff and member tasks were not functional. Katherine Klug since August has created a path on how to move forward. This path includes Functionality, User Friendly platform, Newbie Proof, Member and Staff education, and content for marketing and website use.

Current Status of iCompete-Almost all tasks are functional. There are three minor problems before member generated registrations can be immediately released without staff validation. Those issues include:

- 1) Sold bred does not populating with correct breeder/owner.
- 2) Embryos are not always populating with the correct breeder/owner.
- 3) Offspring from Service Memo not populating with current breeder/owner.

Show Results within iCompete- Show results are now fully functional with the ability to update points with our current point rules. Division and Overalls require edits. They are currently working on the backlog of show results into the system. There is an issue with some show results being entered into the blue screen after the iCompete transfer. They are only showing on blue screen and not iCompete. Once the backlogs are brought current, they will work through moving those results in and check for data inconsistencies.

Future Tasks for iCompete Project

- 1) Testing new member application to allow new members to join the Association via iCompete.
- 2) Shows-Need to get age validation working. Then they will move onto the affiliate side.
- 3) Registrations-Finish last few bugs to allow for automatic validation.
- 4) Shows-Verify older shows and results.
- 5) Herdbook-Creating a more user-friendly environment.
- 6) Layout and User-friendly Updates.

Discussion- Where to find show results? Individual show results can be found at abga.icompete.net/studbook. Look up the animal and show results are under the show results tab. Full show results can be found under the calendar of their iCompete homepage. They have to go to the date of the show and click on the show.

Question- How to make sure staff can't edit animals behind the scenes – On the staff side, we have audits and diaries on who and what has been updated. Can see who, when, and what was done. We can run reports on staff audits. Can have more individualized reports developed as well.

Office Manager Update- The candidate that was previously offered the Office Manager position did not accept the position and KK has been working through interviews. KK has been given the authority to hire the office manager if she finds one that will be a good fit for the ABGA office.

Office Process Update- KK is currently working with staff to update the workflow within the office. ILR was a work order-based system while iCompete is not. They are working on the redesigning of the workflow to best fit the staff. In addition, developing an online workflow tracking system.

Bigger Updates in process-

- 1) Utilization of Square for in-house invoicing for completion of work eliminating the process of calling the member for payment. This allows for members to pay on their timeline, reminders can be sent, lower credit card fees, and less risk for the association with manually inputting, and holding cc information.
- 2) RFI staff member-to manage problems with in-house registrations.
- 3) The purchase of a paper folding machine has helped us to better utilize staff.

Visual Inspection Forms – Updated form design to better align with other award certificates and to work automatically with iCompete system.

Chuck Fitzwater made the motion to approve the new Visual Inspection certificate. Mike Reis sec. Voice Vote. Unanimous. Motion passes

December Face to Face Meeting

Thursday Nov 30 – Sunday December 3

Meeting Friday and Saturday Atlanta Airport Marriot

4711 Best Rd, Atlanta, Ga 30337

Leah Maertens makes the motion to have a Face to Face in Atlanta. Lauren Green sec. Roll call vote. Ken Baty – no, Kim Morgan – no, Casey McClain – abstain, Mike Reis – no, Sam Knott – yes, Kim Veal – yes, Rosalinda Vizina – yes, Lauren Green -yes, Brad Mackey – yes, Chuck Fitzwater – yes, Gage Taylor – yes, Leah Maertens – yes, Dan Elliot – no - Motion passes.

Award Applications-Compete does not automatically award animals for Doe of Excellence and Sire of Merit. Application process and forms similar to current Ennoblement forms.

Lauren Green makes the motion to create Sire of Merit and Doe of Excellence forms similar to Ennoblement awards. Kim Morgan sec. Voice Vote. Unanimous. Motion Passes

DNA-Implementation of the switch to Neogen- Office is working on hard date to release to membership on 1/1/2024. They are in the process of developing protocols for staff and members. DNA committee is working on collecting information from other associations that we can use as a base for education. We should keep the contract with UC Davis in the interim timeframe to allow for case-by-case basis of verifying parentage, but those animals would have to be test in both.

DNA Issue Member Concern

Discussion- A DNA issue on a sold animal was discussed and the Board determined that it is a civil matter.

Sam Knott makes the motion to send a certified letter to both parties involved. Rosalinda Vizina sec. Voice vote. Unanimous. Motion passes.

Judges Terminology

Discussion. Would like to see better terminology for new members to better educate our members as showing is a learning experience. It was suggested to write a recommendation to the Judges committee for their review.

Sanctioned Shows

Bred and Owned Awards- Bids for additional awards ribbons vs banners to eliminate the extra shipping cost and extra manpower. It was recommended that this topic be sent to the Junior Board for their recommendation.

Ribbon Packs-Members reached out wanting placing ribbons as there are disappointments around lack of ribbon placings. How do we go forward with this issue? Do we require the bigger shows to purchase and support the smaller shows?

Ribbon Pack Order-Inventory is low so it was recommended to order enough to get through the end of the year and then get bids moving forward.

Member Education and Marketing

Show Promo Pack-Show applications have the option to select market material. We need to update to allow for consistency that is easy to ship and easy to display. This was given to the Member and Education committee to work on.

Approval of the Agenda

Kevin Richmond asked for the approval of the meeting agenda. Items added include; general update from Breed Standards and item of concern from Judges Committee. Ken Baty makes the motion to approve the November Board Member Agenda. Brad Mackey sec. Voice vote: Unanimous. Motion Passes

Finance: Treasurer's Report

Kevin Richmond emailed the Treasurer's November update to the Board of Directors for their review. Expenses continue to track at or below our fiscal budget for 2023.

Income Generator Information

- Memberships at the end of October sit at 8205 and 180 new members were added in the month of October.
- Our investment funds are fully vested per our approved "Investment Strategy Plan" that was approved at the July 2023 Face to Face meeting. These funds sit in our "Total Wealth Fund with First Financial Bank of San Angelo.
- Our total net revenue dropped by \$48,000 in the month of October (this was expected and budgeted for as we generally see less income generated October-December.
- The Finance Committee is working on the Lifetime Membership offer with a base assumption of \$1,200 per individual paying adult membership. Member benefits guide and ABGA benefits are being established along with a long-term financial plan to utilize these funds for a 10 year revolver investment account. Conversations with auditors, accountants, and financial investor guides are being conducted. A full presentation and proposed guidance will be voted upon at the face-to-face meeting in December.

Office Update

General Office Update- The new office manager, Porshea Vann, has started and the workflow processes are improving. The staff are working efficiently and are currently working through two to three days of work orders to catch-up on current backlogs. Porshea will be joining us for the Face to Face Meeting in December.

iCompete- ABRI went through a company-wide review of their software and they decided to remove iCompete from their platform and sell it to Scifre IQ. We have high hopes that this will be an improvement to our system needs of iCompete to get our tasks completed and to work toward a more user-friendly system. The office staff currently have a backlog of 10 shows to add to iCompete. Once they have been updated, they will start reviewing historical show information for 2023.

A question was asked concerning where to direct members for general iCompete questions or issues. Katherine Klug responded to direct them to the website via the iCompete tab or to the email box, icompete@abga.org.

Ribbon Order- Katherine Klug stated that we are in need of ordering our 2024 Rosette packets for the ABGA and National shows for both ABGA open and JABGA shows. We place our ribbon orders now through our vendor, Hodges because they offer discounted prices this time of year due to this being their slow season. The cost of the ribbons is \$16,367 for open show rosettes and \$7,794 for JABGA banners and rosettes. The JABGA has requested to change the color of their banners to blue in order to align with their current logo and advertising. This change does not impact the cost of the JABGA ribbons.

Lauren Green makes the motion to order the 2024 ABGA Rosettes and National Show ribbons along with the JABGA ribbons. Leah Maertens Sec. Voice vote. Unanimous. Motion Passes

Dan Elliott makes a motion to approve the change of color of the JABGA ribbons and Bred and Owned Banners. Casey McClain Sec. Voice Vote. Unanimous. Motion Passes.

Ribbon Vendor Research- Leah reported that she has been working with Hannah and reached out to several companies to find a vendor that is cheaper, but due to the timeline of the necessity to order, we do not have any available vendor options. It was suggested that a cheaper alternative could be to remove the cardboard from the back and to remove the string. They will continue to look for vendor options.

Katherine Klug reported that in addition to the ribbon order, she priced placing ribbons with our vendor at \$65.00 per show pack. An option could be offered to the sanctioned shows to purchase 1-5 placing ribbons as the vendor can turn those orders within 24-48 hours.

Discussion concerning the possibility of developing a tiered system for ribbon cost support based on the number of entries could be established. Leah Maertens and Katherine Klug will work on the development of a tiered based system to bring forward to the Board for their approval.

Lifetime Membership

Discussion for the offering of a lifetime membership was continued at a price of \$1,200 to hopefully roll out in January, 2024.

Cameron Drew makes the motion to offer \$1,200 lifetime adult membership per member number. Brad Mackey Sec. Voice Vote. Unanimous. Motion Passes.

Further discussion brought forward the potential to possibly offer other options such as a 3 yr at \$150, 5 yr at \$275, and 10 years at \$600. Sam Knott agreed to look at this further and run the metrics for these options by the Finance Committee to bring to the Face to Face meeting.

Brad Mackey makes the motion to send the incremental fee schedule to the Finance Committee. Chuck Fitzwater seconds. Voice Vote. Unanimous.

National Show

Drug Testing - The National Show committee received a bid from Jordy who completed the 3rd party national show drug testing in 2023 in the amount of \$5,100 including travel.

Ken Baty makes the motion to accept the bid from Jordy. Chuck Fitzwater sec. Unanimous. Motion Passes.

Announcer Bid- Katherine Klug is reaching out to Matt Moravec who was the announcer for the 2023 ABGA National Show to request a bid.

Superintendent Job Descriptions- Katherine Klug brought forward job descriptions for the Superintendents for the 2024 ABGA National Show for both the Show Ring and Barn.

Kim Morgan makes the motion to approve the Superintendent job descriptions as presented. Ken Baty sec. Voice Vote. Brad Mackey abstains. Motion Passes.

Rough Schedule-A rough schedule of the 2024 ABGA National show was presented to use a starting point to build upon concerning basic move in information and general show structure.

Leah Maertens made the motion to approve the tentative schedule. Ken Baty sec. Voice Vote. Motion Passes

Call for Judges-The National Show Committee recommended teams for the 2024 ABGA National Show using the same requirements as last year. There was general discussion concerning the benefit of judges teams vs. the top three judges as selected by vote for judges.

Lauren Green makes the motion to have the top three judges selected and not a team based ballot. Brad Mackey seconds. Roll call vote. Yes: Ken Baty, Sam Knott, Kim Veal, Rosalinda Vizina, Lauren Green, Brad Mackey, Cameron Drew, Chuck Fitzwater, Gage Taylor, Leah Maertens, Dan Elliott, Casey McClain. No: Mike Reis, Kim Morgan. Motion Passes.

NAILE Entry Numbers-

Kim Morgan reported the number of entries submitted to the NAILE show in Louisville. Numbers were good with 377 entries in the ABGA Open Show and 258 for the JABGA show.

Member Relations and Education Committee

Leah Maertens and Gage Taylor reported that they had a meeting and they are working on a Brochure for the show packets. In addition, they are working on the next digital magazine. The magazine will include a member highlight section and a letter from the President.

DNA Committee Update

Ken Baty reported that they had their first DNA committee meeting and sent a rough draft of changing the rules related to DNA. The changes were related to office workflow and going to Neogen. It is not related to the actual new parameters to be presented to the Board. They were also presented to Kim Morgan to run by the Rules and Regulations committee.

There was general discussion concerning the DNA process.

Mike Reis made the motion to approve the recommended DNA rule changes. Ken Baty seconded. Lauren Green abstains. Motion passes.

Social Media

Brad Mackey brought forward discussion concerning negative social media posts by members, judges, and committee members and the need to send a message to support our Board team members and Association in a positive manner. There was concern on both sides of the argument from sending a strong message to those who post negative comments about or towards the Association to where do we draw the line concerning censorship.

Leah Maertens made the motion to go into Executive Session at 9:15 CST. Lauren Green seconded. Motion passes.

Ken Baty made the motion to come out of Executive Session at 9:29 CST. Rosalinda Vizina seconded. Motion passes.

Kevin Richmond will look in past meeting minutes to see if there is a Social Media policy and will notify the Board of Directors at the Face-to-Face meeting in December.

Tabled October Agenda Items

Interim Project Manager-Limit authority and scope- Cameron Drew brought forward a discussion concerning the Interim Project Manager position and what the three key objectives were when it was approved. The tasks assigned have grown into other responsibilities which doesn't position the Project Manager for success or the ABGA for success. Are we spreading that position out too thin with office responsibilities and the assigned objectives.

General discussion surrounding those tasks that were assigned were from the Board of Directors and the added task of hiring a new office manager has been completed. Once the Office Manager is hired, the Interim Project Manager will be able to step back from helping with the office workflows. Other Board Members reported nothing but positive feedback concerning the work accomplished up to date by the Interim Project Manager. The project manager position came into question and felt that the membership hears that this position is truly an interim Executive Manager which are two separate jobs. It is critical that we get the process started to post the ad to start the search for a new Executive Director.

Executive Director-Special Committee- Ken Baty reported that we are in need of building the advertisement for Executive Director and to move forward. Could we possibly hire a headhunter and not a committee? But the hiring of the headhunter is very expensive. Kevin Richmond proposed to work with Kim Morgan to update the Executive Director Job Description and to bring it to the Face-to-Face meeting in December.

Executive Committee Minutes from the last 12-16 months/Limit Authority and Scope/Election to fill vacant seat- Kevin Richmond reported that to his knowledge all EC meeting minutes are posted on the website. Cameron Drew asked to be educated about the ABGA Executive Committee and how it is used in the ABGA. Also, how the information/discussion from EC meetings come back to the Board of Directors. Ken Baty reported that we did not have many EC meetings in 2022 and there is nothing in the By-Laws that require a monthly EC meeting. Kevin Richmond stated that whatever decision is made by the EC those decisions are communicated to the Board.

Revisit National Show Drug Testing- Cameron Drew raised the question about the National Show Drug testing policy and if there is an issue the Board of Directors should be notified; however, in 2023 when there was an issue with a sample, who made the decision to send the 2nd test and why did we deviate? Kevin Richmond made the decision to test the 2nd sample.

Banned Members at Sanctioned Shows

Casey McClain asked the Board of Directors what the protocol is for banned members attending Sanctioned Shows.

Gage Taylor made the motion to go into executive session at 9:04 CST. Mike Reis sec. Voice Vote. Motion passes.

Mike Reis made the motion to come out of executive session at 9:49 CST. Brad Mackey sec. Voice Vote Motion passes.

Leah Maertens makes a motion to send a certified letter to banned member and the agent member number 71701 that the banned member was associated with a warning concerning the new rules established in August. In addition, Kevin is to contact the attorney in regards to the letter. Brad Mackey sec. Voice Vote. Motion Passes

Mike Reis makes the motion to send a letter to ABGA judge with member number 28714 concerning actions in the show ring along with the Jr member that submitted the complaint. Ken Baty sec. Abstained by Leah Maertens and Lauren Green. Motion passes.

Breed Standards Committee Update

Chuck Fitzwater reported that the committee will be sending out a survey for one week concerning elf ears in percentage does. They are also reviewing a teat chart and the lack of enforcing the breed standard of hair length.

Ken Baty moved to approve Treasurers report. Mike Reis sec. Voice Vote. Motion Passes.

Judges Committee Update

Ken reported that 10 judges were on the call and there was a lot of good conversation. He tasked the judges to bring forward three items that they would like to accomplish this year. Things mentioned by the judges was continuing education and ask approval for the office to send out an email blast for the membership to take pictures of faults that will help develop the continuing education materials.

Ken Baty made the motion to adjourn the meeting.at 10:57 CST. Kim Veal sec. Voice Vote Motion passes

Rule 800: ABGA DNA Program

ABGA has designated NeoGen as the official ABGA-approved DNA testing facility.

Rule 801: ABGA DNA Testing

- A. As of September 1, 2021, DNA testing will be on voluntary basis. However, DNA testing must be requested and processed through the ABGA office to be eligible for use with ABGA registration. (10- 13-2021)
- B. All other DNA Rules are under review and subject to change; however, they remain in effect as associated with the use of voluntary DNA submission. (10-13-2021)
- C. Parent qualification and/or parent verification will be performed on all animals submitted for DNA marker testing when required samples are on file with ABGA. If parents are tested through UC Davis, then in order for parentage to be verified, the individual animal must submit a sample for both UC Davis and NeoGen through the ABGA.
- D. Animals must be registered with highest likely parentage prior to submitting DNA samples.

Rule 802: ABGA DNA Testing Procedure

1. DNA test kits must be requested through the ABGA website or directly from the ABGA office.
 2. Only current ABGA or JABGA members can request DNA testing.
 3. Only the current owner of the animal can request DNA Testing.
 - a. Written and signed confirmation from the current owner on record or their descendants
- will be required for the release to test an animal not belonging to the member requesting to test said animal.
4. All DNA test kit requests must be accompanied by the appropriate test fee.
 5. C. All DNA test kit requests will be assigned a bar code, associated to the individual animal that testing is requested for, by the ABGA-approved DNA testing facility.
 6. In order to ensure proper chain of custody and procedures, testing samples will only be accepted when sent to ABGA DNA Department – 3524 Knickerbocker Rd, Ste C324, San Angelo, TX 76904
- a. A pre-printed and paid mailer with the correct address will be included with the requested DNA test kits.
7. The following will be submitted
 - a. Fully completed test kit – signed and dated
 - b. All required samples
 8. No tampering or modifying of the information printed on the individual animal test kit.
 9. The ABGA-approved DNA testing facility will remit all results directly to the ABGA to be included in the animal's permanent record.

10. Upon submission of the original certificate of a DNA tested animal to the ABGA office for transfer or correction, the ABGA certificate will bear the printed statement "DNA Marker Tested" for animal that have been tested through UC Davis and "GGP Goat70K Tested" for those animal's tested through NeoGen.
11. No transfer of DNA testing to another animal – each testing kit will be designated to a specific registered animal. No refunds for requested DNA testing after the testing kits have left the office.
12. Post Mortem samples will only be accepted if collected while the test animal was alive. Samples collected after death will not be accepted.

Rule 803: DNA Parentage Qualification

Parentage qualification between one parent and the offspring offers a high probability that the tested individuals are related as a parent and offspring, without consideration of the second parent. Parentage qualification does not offer a guarantee of correct parentage. For parentage to be qualified through DNA marker testing, both the potential parent and the offspring must have individual DNA marker testing on file with ABGA

Rule 804: DNA Parentage Verification

For parentage to be verified through DNA marker testing, each of the dam, sire, and offspring in question must be verified through individual DNA marker testing

Rule 805: Ownership of DNA Samples and Results

All genetic material submitted, samples, and results of DNA testing performed as part of the ABGA DNA Program will become property of ABGA. A copy of the official test report will be released to the current owner of record.

Approval of the Agenda

Kevin Richmond asked for the approval of the meeting agenda. Ken Baty makes the motion. Chuck Fitzwater seconds. Voice Vote Motion Passes

Social Media Policy (Old Business)

Kevin was asked to review old minutes to see if there is a Social Media Policy. In September 2014, the Executive Committee sent notice to the ABGA Board of Directors for the need to create a Social Media policy; however, in researching the minutes, there was nothing brought forward.

Brad Mackey makes a motion to send the development of a Social Media policy to the Rules and Regs committee. Ken Baty 2nds. Voice vote. Motion Passes.

Discussion concerning how vague the new Code of Ethics addresses Social Media and that there may be a need to send to the Attorney for creation and/or guidance. We can't be picking and choosing who to

enforce upon and how you enforce it. What qualifies as being ugly on social media? Shouldn't it go through the 900 process?

Chuck Fitzwater makes a motion to send to the Attorney to write something up within 90 days or review the Code of Ethics section pertaining to social media. Mike Reis seconds. Roll Call Vote: Yes, Rosalinda Vizina, Ken Baty, Mike Reis, Casey McClain, Sam Knott, Kim Morgan, Dan Elliott, Chuck Fitzwater. No: Leah Maertens, Lauren Green, Gage Taylor, Kim Veal, Brad Mackey, Cameron Drew. Motion Passes.

Outstanding Letters to Members (Old Business)

All letters that Kevin has been asked to send have been sent, but we have not received replies yet. One of the receivers reached out to Cameron Drew and she told them to send an email to Kevin Richmond and Ken Baty

Executive Committee Vacancy

Kevin asked the attorney to review the By-Laws and there are two sentences that conflict each other in relation to the Vice President and Past President being the same individual. The attorney said this should be addressed during the next By-Law change.

Leah Maertens made a motion to add a 7th member to the Executive Committee. Gage Taylor seconds. Voice vote. Motion Passes.

Leah Maertens nominates Cameron Drew

Kim Morgan nominates Chuck Fitzwater

Gage Taylor moves to cease nominations. Leah Maertens seconds. Voice vote. Motion Passes.

Banned Member Discussion (Old Business)

Gage Taylor moves to enter executive session at 8:28am and Cameron Drew seconds. Voice vote. Motion Passes

Ken Baty makes a motion to leave executive session at 9:09am. Leah Maertens seconds. Voice vote. Motion Passes.

Leah Maertens makes a motion to add the Banned Member list back on the website and to be added to the Show Secretary Packet. Brad Mackey seconds. Voice vote. Motion Passes.

Cameron Drew makes a motion for a 5-minute recess. Casey McClain seconds. Voice vote. Motion Passes

Website Calendar

Discussion around the need for a member benefit to add educational events and sales to be added to the ABGA website. This would be an added member benefit and add additional views to our website. Our old calendar was more user friendly, so there was a discussion around an additional calendar. Potential options for Sales flyers and links to sale catalogs.

Leah Maertens makes a motion to add calendar to the website for industry sales promoting ABGA members and animals. Gage Taylor seconds. Voice vote. Motion Passes.

The need for 2024 will be to get the new calendar available by mid-February. Katherine Klug will work with the office to get this on the website before the Spring Sales.

In addition to the sales calendar, there was additional discussion concerning a separate calendar for educational resources. Learning opportunities where our members can find educational materials or seminars.

Cameron Drew makes a motion to add an educational calendar to the website. Casey McClain seconds. Voice Vote. Motion Passes.

Executive Committee Ballot Results

9 for Chuck Fitzwater

6 for Cameron Drew

Chuck Fitzwater to join the Executive Committee.

Signage for the ABGA Office

The original quotes from when the ABGA was built could not be found. A discussion concerning the style of signage we would like. A rock sign with a Boer head, along with solar lights and flagpole holding American Flag and ABGA Flag was landed on. It was determined that we could possibly pay for the sign with donations. We will still need to look into pricing and permits.

Sam Knott makes a motion to approve \$5000 to be spent for signage, earmarked to be spent within the month of December to be offset by member donations. Mike Reis 2nds. Voice Vote Motion passes.

Gage Taylor moves to recess at 9:38am EST. Leah Maerten seconds. Voice Vote. Motion Passes

Meeting Resumes at 9:55am EST.

Office Update

Porschea Vann introduced herself to the Board of Directors and has been with the ABGA for a month. She was an office manager in her past position and has a military background. The primary issues she has seen in the office revolve around managerial stuff that simply needs ironed out and improved upon. Other items mentioned in the office update discussion:

- The atmosphere of the office has greatly improved.
- Moving in a good direction
- Jobs have evolved over the past six months to cope with iCompete.
- Still have extensive turnover
- Once iCompete is fully functional the resources in the office working through the issues will be able to transition to other responsibilities and/or be there for future growth and moved to other tasks within the office.
- We are still in crisis mode and once we get caught up, we will be able to invest in technology and customer service training.
- The Board of Directors are asked if there are any tools needed to help.

iCompete

Katherine Klug is still working very closely with our vendor to get the system updates completed to improve iCompete. The company is not providing current timelines of when things will be completed based on our requests of how we want to see it. There was discussion concerning the possibility of offering an invitation for our iCompete contact to travel to San Angelo to see the office firsthand.

There was additional discussion of hiring an external tech person to work on iCompete and to somehow help write the coding, but no action was taken on this discussion at this time.

All show results that have been **submitted** to the office will be in iCompete by this weekend. They will now focus on any cleanup from the transfer of show information from the blue screen.

Sire of Merit and Doe of Excellence

iCompete does not automatically award SOM or DOE, so a new form was created to apply for these titles like we currently have for ennoblement.

Chuck Fitzwater makes the motion to charge \$20 for SOM and DOE form processing. Brad Mackey seconds. Voice vote. Motion Passes.

Percentage Bucks-Sire of Merit status and Fullblood Does-Doe of Excellence

It has been passed by previous boards to award Sire of Merit to percentage bucks and Doe of Excellence to Fullblood does; however, the ruling had to be rescinded due to the system freeze with ABRI and the inability to update the system to track the points. Now that we are in the development stages with iCompete we can now set the system up to track both.

Ken Baty makes the motion to allow percentage bucks to get Sire of Merit and fullblood does to get Doe of Excellence. Chuck Fitzwater seconds. Voice vote. Motion Passes.

Katherine Klug presented the rule changes to 1300 and 1301.

Ken Baty makes the motion to accept the 1300 and 1301 rule changes. Chuck Fitzwater seconds. Voice vote. Motion passes.

There was discussion of updating the verbiage to remove "Percentage Doe of Excellence" and just have "Doe of Excellence".

Ken Baty makes a motion to change the wording from Percentage Doe of Excellence to just Doe of Excellence. Gage Taylor seconds. Voice vote. Motion passes.

Additional discussion concerning the issue with Sire of Merit and Doe of Excellence does not show on pedigrees and we should have the ability to correct that now.

Ken makes a motion to add the abbreviation of SOM and DOE to the pedigree. Lauren Green seconds, Voice vote. Motion passes.

Purebred Breed up Proposal

Presentation by Sam Knott and the committee work on the Purebred Doe breed-up proposal.

The ABGA is the largest Boer goat association in the world. There are four sections of the ABGA.

Fullblood, Percentage, Purebred, Commercial. Purebreds are the most neglected section compared to the Percentages and Fullbloods. Purebreds typically bring less than their counterparts and the Boer goat is a composite breed.

Our options:

- Do nothing.
- Do away with purebreds and make them percentages.
- Do away with purebreds and make them fullbloods.
- Allow for a breed up option to bring some upside to raising purebreds: 99% purebred does to obtain fullblood classification.

- Completely do away with purebreds and make them percentages, with the exception of 99% purebred does and have them eligible for a breed-up fullblood status.

Discussion concerning the proposal options. The proposal is simple and easy to comply with yet keeps integrity and in our breed standards. We need to identify and promote those purebred does to the fullblood herdbook that exemplify the ideal breed standard and increase the genetic diversity of the American Fullblood Boer Goat. The course chosen should not devalue the fullbloods. The purpose of the percentage registry was to influence the Boer goat and our genetic pool is dwindling down.

The board went through the options and removed Option 1, Do nothing.

Leah makes a motion to recess for lunch at 11:46 EST. Cameron Drew seconds. Voice vote. Motion passes.

Return from lunch at 12:32 EST.

Purebred Breed Up Proposal-continued

Ken Baty moves to eliminate Option 1, Do Nothing. Brad Mackey seconds. Voice vote. Motion passes.

Sam Knott proposed to the board a combined option of 2&5:

In 2024, purebred does are eligible for breed up to fullblood status with (DNA qualification, 2 inspections, and \$50 fee). In 2025, we will completely do away with purebred registry and make them percentages that are eligible for the breed up. Communicate, Educate, Prepare and Launch in **2025**.

Brad Mackey makes a motion to accept the proposal from the committee. Mike Reis secs.

Gage Taylor makes a motion to amend lowering the percentage from 99% to 97%. Leah Maertens seconds. Roll Call Vote. Yes; Leah Maertens, Mike Reis, Lauren Green, Gage Taylor. No: Rosalinda Vizina, Ken Baty, Casey McClain, Sam Knott, Kim Morgan, Kim Veal, Chuck Fitzwater, Brad Mackey, Cameron Drew. Motion Fails.

Cameron moves that we go back to the original motion on the table. Mike Reis seconds. Roll Call Vote; Yes, Rosalinda Vizina, Ken Baty, Mike Reis, Lauren Green, Casey McClain, Sam Knott, Kim Morgan, Kim Veal, Chuck Fitzwater, Brad Mackey. No: Leah Maertens, Gage Taylor, Cameron Drew. Motion Passes.

Placing Ribbons

A proposal was brought forward to pilot a placing ribbon purchase option for sanctioned shows for one year. This would allow sanctioned shows to purchase placing ribbons for \$65 and the cost is dollar for dollar.

Brad Mackey makes the motion to accept the proposal to pilot offering placing ribbons for \$65. Lauren Green seconds. Voice vote. Motion Passes.

Breed Standards-Laboer

The survey results for the Facebook survey:

795 total votes by ABGA count with 37 votes thrown out.

244 votes yes to DQ.

514 votes to not DQ them.

Lane Reigle gave a presentation submitted by the Breed Standards Committee proposing to keep the ears a DQ.

Discussion concerning Survey results and how it feels like the show ring is dictating the standards, not the standards dictating the show ring.

No action was taken, and elf ears will remain a DQ as clarified in the breed standards.

Marketing Brochure

One of the old brochures were found in the office and the Marketing Committee wanted to bring it forward to see if the board was interested in updating the pamphlets to be given out for marketing and to “brand” the business. The board found this to be very beneficial in the future.

Cameron Drew requested that they also look at creating a single sided flat small poster that can be displayed in feed stores and other locations.

The Marketing Committee will work on updating and will present back to the board.

Regional Show and JABGA Sanctioning Proposal

A presentation was given concerning the current regional show structure and how we rely on the Show Secretary to carry the risk/burden of the show. The ABGA should play a bigger role. With this, regional shows would have a host and the ABGA will have a bigger role in all aspects. In doing this, all fundraising monies will go through the ABGA.

Regional Show Proposal

- ABGA to play a much larger part.
- Decrease the Regional Shows down to one per region.
- Focus entirely on kids with no open show.
- Utilize a show chair in the region to help the ABGA with finding location, banquet options, etc.
- ABGA will pay all of the bills.
- ABGA will be the one opening entries.
- ABGA runs all contests and takes care of secretarial work.
- More involvement from the JABGA board.
- Would take effect, July-2024.
- Expense would be roughly \$16,000 per regional (\$13,000 now)

Discussion concerning how past hosts may feel unappreciated/uninvolved. Would the elimination of an open show hurt attendance? Are we worried about the increase in staff workload?

Casey McClain moves to accept the proposal to reduce the number of Regional Shows to 5 for the 2024-2025 show season and for the ABGA to play a larger role by taking on financial and organizational responsibilities. Ken Baty seconds. Voice vote. Motion Passes.

JABGA Points Proposal

A proposal was given concerning increasing the involvement in JABGA sanctioned shows to increase involvement outside of the regional program.

- Point series for JABGA sanctioned shows with points similar to regional program scale.
- Large shows classify double points.
- Awards by area.
- Points would be based by region only.

Discussion concerning the JABGA ennoblement program and how it doesn't really have a lot of growth. Provides encouragement for Show Secretaries to host JABGA shows with their open shows. Costs should be offset by an anticipated increase in membership.

Ken Baty makes the motion to approve the JABGA Points Proposal. Cameron Drew seconds. Voice vote. Motion Passes.

Cameron Drew asked that we send over for the JABGA board to look at how we can implement a way for FFA kids to declare an animal(s) so that they can show in JABGA shows similar to what 4H does,

Commercial Division Proposal

The last proposal was to create a points system for all wether and commercial doe shows to increase involvement in the JABGA. Start date would be July 1, 2024, and would be very similar to the JABGA proposal as it will be based on area. Costs would be \$3000 per area and to possibly do a pilot program to garner interest. After the pilot, charge a sanctioning fee for it. Bonus points for registered animals to provide incentive for someone to register commercial/market animals.

Gage Taylor makes the motion to accept the commercial division proposal. Brad Mackey seconds. Voice vote. Motion passes.

Brad Mackey makes the motion to recess at 2:15 EST. Ken seconded. Voice vote. Motion Passes.

Meeting Resumes at 2:35 EST

National Show

Ringside Tables- Directors to provide a food listing that is specific to their region to highlight different regional foods. Baskets should have cards thanking those that have purchased ringside tables for their support. They are working with Louisville to possibly elevate tables.

Vet-Still waiting and working on getting bids.

Announcer-Matt Moravec.

National Show Rules- Review up the updated rule changes.

Kim Morgan makes the motion to approve the recommended National Show rule changes. Mike Reis seconds. Voice vote. Motion Passes.

National Show Schedule Review-The JABGA has to arrive on Friday. Saturday will be strictly for contests. Sunday is market show day and showmanship. Members meeting on Tuesday following the auction. Live Fundraising auction will be done with the banquet.

Chuck Fitzwater makes the motion to approve the show schedule with changes. Rosalinda Vizina seconds. Voice vote. Motion Passes.

National Show Logo-National show logo recommended by the National Show Committee was brought forward. There are a couple of changes necessary but would like it approved before the changes are made.

Mike Reis makes the motion to approve the National show logo with recommended changes. Kim Morgan seconds. Voice vote. Motion passes.

National Show Charity- Recommendation from the committee is the American Childhood Cancer Organization

Lauren Green makes the motion to accept ACCO as the 2024 ABGA National Charity. Chuck Fitzwater seconds. Voice vote. Motion Passes.

National Show Sponsorship-The goal is to raise more funds than last year. Lowe's and Evolution are coming in as Diamond Sponsors.

National Show Site Committee Update

A presentation was given concerning 2025 and where we are looking to be for the National Show. Louisville is not an option in 2025 as they are booked. It is extremely difficult to find facilities to meet our needs. Kansas City is right now our main option for 2025 due to other facilities already being booked.

Revisiting ABGA Board Decision

There is a need to design a cycle so things aren't constantly being reevaluated. There must be a way to track what has been addressed by past board. This will benefit the board by being more efficient and should hinder rash decisions. Could set up a style to present in one meeting and decide in the next meeting.

Discussion that this was a great idea but how could we track those decisions.

Tabled until the next meeting.

Lifetime Membership

A presentation from the Finance Committee was given on the benefits of the Lifetime Membership.

Benefits to ABGA and its Members.

- Cost Savings
- Inflation Hedge (Protection from future membership fee increases)
- Continuous Learning Opportunities
- Networking Opportunities
- Recognition (What do we offer those who chose to become lifetime members? Farm Sign?)
- Discounts possibly for registration and transfers???
- Premium Content (Future goal)
- Immediate revenue for the ABGA.

Cameron Drew makes the motion to adopt the Finance Committees guidelines for the Lifetime Membership option. Lauren Green seconds. Voice vote. Motion Passes.

In addition, the presentation reflects that the income generated would go into a separate account and allocated annually. The income would not be recognized all in one year. The Finance Committee presented three different types of accounts to hold these funds in as their options from the Bank and their Committee.

Kim Morgan makes the motion to accept the proposal of the Finance Committee related to the handling of the funds in a separate account and to choose the option tying these funds to the US Treasuries option. Kim Veal seconds. Voice vote. Motion Passes.

Ken Baty makes a motion to recess at 4:33pm EST. Mike Reis seconds. Voice Vote. Motion passes.

Meeting Resumes at 4:45pm EST.

Strategic and Marketing Plan

A strategic plan is a document that outlines any company or association's goals and how they plan to achieve them.

It should include our mission statement and vision for the future. It also defines the short term and long-term objectives and provides an action plan on how to achieve the goals.

It keeps the organization focused and aligned month after month, year after year. Even with election changes and member changes on committees.

Key objectives are in Member Services, Youth Development, Retaining and developing talent, Marketing and brand awareness as well as breed improvement.

Strategic Plan for Today and the Future of the ABGA 2024-2029

- **Youth Development-Grow the JABGA membership to 3500 by 2029**
- **Dedication to our Staff- Help them help our members.**
- **Genetic Improvement-Aim for 20k DNA tests conducted between 2024-2029**
- **Development of educational resources.**
- **Brand Awareness for goat meat (80-85% of our members do not show)**

- **Work with AGF to develop a goat checkoff program.**

Leah Maertens made the motion to recess until 8:00am EST. Ken Baty seconds. Voice vote. Motion Passes.

Financial Report and Budget

We will finish the 2023 Fiscal Year with a net profit of \$100k to \$125k. This would not have happened without the extensive fundraising efforts. In the discussion, the recommendation is to move \$100k to Neogen for future DNA services provided to help offset member cost.

Chuck makes the motion to co-fund DNA testing in the amount of \$100,000 for our membership. Mike Reis seconds. Voice Vote. Motion passes.

Financial Report

- Membership operating costs down 13% compared to 2022.
- Membership income has decreased.
- All registration segments missed budget by 8.5% compared to 2022.
- DNA is understandably down by \$30k.
- Net income for Nationals has increased by \$70k from Grand Island to Louisville.
- 2024 Louisville will increase expenses due to more judges and more space required.
- Net profit projected to be \$5 to \$10k after the funding to Neogen and December expenditures,

Budget

- 2024 will be a bigger challenge and we will continue to use a conservative approach in income generating line items.
- Cut expenses where we could find by cutting regional shows from 10 to 5.
- Budgeting for one Face-to-Face meeting in 2024 and will revisit plan in the fall to see if another is feasible and required.
- Next year we will be budgeting for a \$17k loss; however, it should be able to be absorbed.

Ken Baty moves to accept the proposed budget. Rosalinda Vizina seconds. Voice vote. Motion passes.

New Business

Lauren Green moves to send the issue of polled percentages to the Breed Standards Committee. Leah Maertens seconds. Voice vote. Motion passes.

Purebred Proposal

The board considered five different individual options and several combinations of proposals at the face to face meeting. Ultimately voting to eliminate the first option which was "Do Nothing". After discussion on the remaining options there was a motion made to the board which combined two of the options into one motion and one vote. This motion passed. Since the time of the vote the board has received feedback from many members; some members in favor and some members opposed to the changes to the purebred breed up and eventual dissolution of the purebred herdbook. The board has decided to send this proposal back to the Purebred committee for further consideration and collection of ideas and opinions. The board desires to learn more about the handling and timeline of the Purebred herdbook if the original motion were to be acted upon or modified in some way going forward. The board has tasked the committee to collect more information, input and suggestions on the subject.

- Some members believe there will be an increase in value for their goats and others believe the current proposal will devalue their goats.
- Is the timeline presented attainable (iCompete capabilities in 2025 and beyond, along with office staff workload) or should it be several years from now?
- Did we push it through too fast?
- How will ennoblements, show points and earned statuses be handled with the changes in herdbooks?
- What is the impact on purebred bucks with the motion, that we will be making percentage bucks if we remove the Purebred registry in 2025.
- Some members feel the breed up fees for inspections, dna, and processing fees are too high.
- Can we provide more details on why DNA requirements were established for the breed up proposal?
- There are some breeders that do not show that cannot get their goats inspected.
- The basic outlines of the breed up proposal were covered on the podcast and in the published minutes but a formal communication plan and marketing plan have not been established yet.
- The process and protocols for both phases of the proposal have not been fully established and the office staff is not ready to handle these requests or to answer detailed questions.
- The bucks were not considered in the purebred breed up to fullblood status, additional work needs to be done to fully understand how to handle bucks with this proposal or any amendments made to it.

Brad Mackey rescinds the motion from the December 2023 Face-to Face Meeting for the Purebred Proposal from the committee. Kim Veal seconds. Roll Call Vote: Yes: Dan Elliott, Leah Maertens, Gage

Taylor, Chuck Fitzwater, Cameron Drew, Lauren Green, Kim Veal, Brad Mackey, Mike Reis, Casey McClain, Ken Baty, Sam Knott. No: Rosalinda Vizina. Motion Passes.

Brad Mackey makes the motion to send this back to committee to fine tune all of the details of the Purebred proposal. Chuck Fitzwater seconds. Voice vote. Motion Passes.

Ken Baty makes the motion to add Lauren Green and Gage Taylor to the Purebred committee. Leah Maertens seconds. Voice Vote. Rosalinda Vizina abstains. Motion Passes.

Purebred Committee: Sam Knott, Rosalinda Vizina, Mike Reis, Katherine Klug, Cameron Drew, Gage Taylor and Lauren Green.

Sam Knott ask the Board of Directors to send all concerns and inquiries to him from the membership on the Purebred proposal to be collected for the committee to review.

Junior Regional Shows and new JABGA Point Series

Discussion concerning the confusion around the Regional Program and the new JABGA points program.

Regional Series Discussion Points.

- There will no longer be Show Secretaries for the regional shows. There will only be a chair person in the area region. All of the regional shows are coming in-house to be ran by the ABGA in order to prevent show secretaries from taking on the liability of the show.
- Juniors can go to multiple super regionals and can earn points in both regions, but can only carry a max point total of 40 to Nationals. This is not a change and is currently in the regional show rules.
- Some of the Board members did not realize that all of the regionals that are on the books were scheduled in the spring only.
- It was asked if the JABGA board was involved in this decision and this answer was, yes. The JABGA board asked for changes in July and to have them sanctioned by the ABGA in order to put some consistency in how each regional is ran.
- Is there a challenge bringing this in-house with the raising of funds for the shows? There are sponsors that the JABGA currently goes to for funds and it will also bring some consistency in fund-raising.
- Bringing the Regional series into the responsibility of the ABGA standardizes when entries are open, how they are ran, and standardizing fundraising.

JABGA Point Series Discussion Points

- Any Sanctioned show can sanction a JABGA show.
- The juniors can earn points in this series separate from the Regional program.

Do we need to do a FAQ or Flow Chart to explain the path of the two programs?

Leah Maertens left the call at 7:20pm CST.

There is still time to spread the Regionals out to the spring and the fall. Hannah stated that they will look at spreading the Regionals in the spring and the fall.

Motion to adjourn by Ken Baty at 7:39pm CST. Seconded by Lauren Green. Voice vote. Motion passes.

Respectfully,
Kim Morgan
ABGA Secretary
